American Red Cross Learn-to-Swim Program Winter 2018

Parent & Child Level 1
The objective of this class is to help young children become comfortable in and around the water so they are ready to learn to swim. Parent/guardian participation is REQUIRED. Under the direction of an instructor, parents learn how to orientate their child to the water, and how to safely supervise water activities. Parents are encouraged to let children progress at their own pace. Class length is 30 minutes and meets five times.

Level 1 - 6 months to 18 months
Level 2 - 18 months to 3 years of age

Parent & Child Level 2
February 10 - March 10 10:30am

Preschool Aquatics
The primary objective is to promote the developmentally appropriate learning of fundamental water safety and aquatic skills for children 4 and 5 years of age. Classes have a low student to instructor ratio and meets eight times for 50 minutes.

Level 1 - Basic aquatic skills with support.
Level 2 - This level marks the beginning of independent aquatic locomotion skills.
Level 3 - Skills in this level are performed independently. This level is similar to the early skills of the Learn to Swim Level 2.
