Anyone requiring accommodations, provided for in the Americans with Disabilities Act (ADA), to attend this public meeting, please contact Jackie Heimburger, ADA Coordinator, by 9:00 AM on Monday, April 15, 2024.

BE ADVISED this is a public meeting conducted in accordance with Illinois state law and may be recorded for audio and video content. City reserves the right to broadcast or re-broadcast the content of this meeting at City's sole discretion. City is not responsible for the content, video quality, or audio quality of any City meeting broadcast or re-broadcast.

#### **Directions for Public Monitoring of Highland City Council Meetings:**

The City of Highland is providing the following phone number for use by citizens to call in just before the start of this meeting:

#### 618-882-5625

Once connected, you will be prompted to enter a conference ID number.

Conference ID #: 867900

This will allow a member of the public to hear the city council meeting.

**Note:** This is for audio monitoring of the meeting, only. Anyone dialing in will not be able make comments.

Anyone wishing to address the city council on any subject during the Public Forum portion of the meeting may submit their questions/comments in advance via email to <a href="mailto:lhediger@highlandil.gov">lhediger@highlandil.gov</a> or, by using the citizens' portal on the city's website found here: <a href="https://www.highlandil.gov/citizen">https://www.highlandil.gov/citizen</a> request center app/index.php.

Any comments received prior to 3:00 PM on the day of the meeting, will be read into the record.

# PROCLAMATION

**WHEREAS**, throughout history America has faced trials and triumphs, and Americans have responded in prayer seeking courage and comfort, inspiration, and joy-filled celebration. Faith compels us to seek and cling to the Light in times of darkness and spread light to those in need; and

WHEREAS, from the first gatherings of our Founding Fathers, elected officials have prayed and entreated those they serve and represent to join them in prayer, including the authors of our Declaration of Independence, wrote that they, "the Representatives of the united States of America, in General Congress, Assembled, appealing to the Supreme Judge of the world..." and carried on to present day in Presidential Proclamations such as last year's invitation to "join him in asking for God's continued guidance, mercy, and protection.", and

**WHEREAS,** a National Day of Prayer has not only been a part of our heritage since it was declared by the First Continental Congress in 1775, but it is a Public Law established in the United States Congress in 1952 approved by a Joint Resolution and amended by Congress and President Reagan with Public Law 100-307 in 1988, affirming that it is essential for us as a nation to pray and directs the President of the United States to set aside and proclaim the first Thursday of May annually as The National Day of Prayer; and

WHEREAS, in every state across America the observance of the National Day of Prayer will be held on Thursday, May 2, 2024, with the theme, "Lift Up the Word, Light Up the World," based on the verses found in 2 Samuel 22:29-31, "For you are my lamp, O Lord, and my God lightens my darkness ... This God—his way is perfect; the word of the Lord proves true; he is a shield for all those who take refuge in him."; and

**WHEREAS,** unified prayer is mobilized across America every first Thursday of May on the National Day of Prayer as neighbors come together to join their hearts and voices in reading sacred Scriptures and attending services to see God for the city and country where we live, learn, work, worship, serve, and desire all to thrive; and

**WHEREAS**, we express our faith and exercise our freedom in prayer, then unite our hearts and voices in personal prayer and public gatherings across America with fervent praise, repentance, love, and humble intercession for our neighbor and nation, holding fast to the promises throughout the Holy Scriptures that the Lord hears and avails much as He answers the faith-filled prayers of His people.

**NOW, THEREFORE I,** Kevin B. Hemann, Mayor of the City of Highland, do hereby proclaim May 2, 2024, as

#### NATIONAL DAY OF PRAYER

**From**: Kevin McKee, Organizer for Drive Electric Highland!

To: Chris Conrad, City Manager, City of Highland

**Date:** 10 April 2024

Subject: Event Proposal for "Drive Electric Highland!"

Mr. Conrad -

For a few weeks now, I have been attempting to organize an electric car show called "Drive Electric Highland!" It came to my attention recently that I needed a permit to hold this show, and that I am very late in doing so.

In reviewing documents on the Highland Website (Code Ordinances, Chapter 64 Special Events, and the associated application), it was less than clear to me that our event meets the guidelines for Special Events. Therefore, I am asking for a waiver on the following grounds:

- We anticipate that only about 10 electric vehicles will be on display for no more than 3 hours.
- The referenced ordinance defines a special event as having in excess of 150 attendees. Although it is our first attempt at organizing one of these in Highland, my experience with previous electric vehicle shows suggests our attendance likely will be closer to 50.
- Unlike conventional cars, an electric vehicle by its very nature is quiet. An electric vehicle show therefore is unlikely to create a public disturbance.
- We plan to hold the show on the parking lot of Louis Latzer Memorial Public Library on Sunday, April 21<sup>st</sup> (the library will be closed), and already have the library's concurrence contingent upon City approval. The event may not cause more traffic through it's neighborhood than the library's typical daily traffic.
- There will be no vending, no need for on-site restrooms or other services, including security. We will direct participants and attendees to the public restroom two blocks away, and members of the group showing electric vehicles can share the responsibility of directing parking on the library parking lot.
- All participating electric vehicle owners are covered by insurance that we believe will cover them in the event of an accident involving City property.

We therefore believe this will be a low-impact event, and respectfully request your consideration of a waiver for parts of the permit process, including the added insurance requirement, and detailed parking/fire/evacuation plans.

I am available to attend the City Council meeting on Monday, April  $15^{\rm th}$  or to meet with you or others in advance, if need be.

Thank you for your consideration, and my sincere apologies for this late application.

Sincerely, Kevin McKee Organizer, Drive Electric Highland! 204 Collinsville Troy, Illinois Cell: 618 365-0428

#### Finance Department

MEMO TO: Christopher Conrad, City Manager FROM: Reanna Ohren, Director of Finance

SUBJECT: Budget Amendments

DATE: April 15, 2024

I have prepared an ordinance for the upcoming agenda on April 15, 2024 that proposes budget amendments for the budget year ending April 30, 2024 for various reasons. An explanation is listed for each amendment. If you have any questions, please let me know.

Thank you, Reanna Ohren

# AN ORDINANCE AMENDING ORDINANCE 3262 OF THE CITY OF HIGHLAND, ILLINOIS, PASSED ON APRIL 17, 2023, ADOPTING THE FINANCIAL BUDGET OF THE CITY OF HIGHLAND, ILLINOIS FOR THE FISCAL YEAR 2023-2024

WHEREAS, on the 17th day of April, 2023 the City Council of the City of Highland Madison County, Illinois adopted an ordinance entitled:

"AN ORDINANCE ADOPTING THE FINANCIAL BUDGET OF THE CITY OF HIGHLAND, ILLINOIS FOR THE FISCAL YEAR BEGINNING MAY 1, 2023 AND ENDING APRIL 30, 2024 AND AUTHORIZING THE EXPENDITURES THEREIN CONTAINED"

WHEREAS, pursuant to 65 ILCS 5/8-2-9.6 the annual City budget may be revised by 2/3 vote of the City Council;

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF HIGHLAND, ILLINOIS AS FOLLOWS:

That the budget amendment identified by reference to the attached Exhibit "A" shall be and constitute amendments to the Budget referenced above by the budget changes as set forth in the attached Exhibit "A".

That this Ordinance shall be known a force and effect after its adoption, as provide	s Ordinance No and shall be in full d by law.				
Passed by the City Council of the City of Highland, Madison County, Illinois and deposited and filed in the Office of the City Clerk, on the day of, 2024, the vote being taken by ayes and noes and entered upon the legislative records as

## CITY OF HIGHLAND

To:

**Mayor and Council Members** 

From:

Mallord Hubbard, Director of Economic Development

Date:

April 9, 2024

Subject:

Approval to Renew Façade Improvement Program for Business District

A

#### RECOMMENDATION

I am recommending the Council approve an Ordinance continuing the Façade Improvement Program for FY25 for all businesses within Business District A.

#### **DISCUSSION**

The Façade Improvement Program is designed to incentivize commercial building owners to make exterior repairs and improvements to enhance their buildings. Staff believes this program encourages additional investments in our Business District and results in an increase in property values.

#### FISCAL IMPACT

Funding of \$50,000 will be budgeted from Business District A for this item.

Recommended by: Zell HILL

Mallord Hubbard, Director of Economic Development

# AN ORDINANCE AUTHORIZING AND AMENDING "BUSINESS DISTRICT A" COMMERCIAL BUILDING FAÇADE IMPROVEMENT PROGRAM FOR MAY 1, 2024 THROUGH APRIL 30, 2025

WHEREAS, the City of Highland, Madison County, Illinois (hereinafter "City"), is a non-home rule municipality duly established, existing and operating in accordance with the provisions of the Illinois Municipal Code (Section 5/1-1-1 et seq. of Chapter 65 of the Illinois Compiled Statutes); and

WHEREAS, Municipalities are authorized to create Business Districts by the Illinois Municipal Code, specifically in 65 ILCS 5/11-74.3 *et seq*. ("Act"); and

WHEREAS, the Act finds and declares that:

It is essential to the economic and social welfare of each municipality that business districts be developed, redeveloped, improved, maintained and revitalized, that jobs and opportunity for employment be created within the municipality, and that, if blighting conditions are present, blighting conditions be eradicated by assuring opportunities for development, or redevelopment, encouraging private investment, and attracting sound and stable business and commercial growth;

and

WHEREAS, the Act finds and declares powers are extended to City in a designated business district, including:

To make and enter into all contracts necessary or incidental to the implementation and furtherance of a business district plan. A contract by and between the municipality and any developer or other nongovernmental person to pay or reimburse said developer or other nongovernmental person for business district project costs incurred or to be incurred by said developer;

WHEREAS, the Act finds and declares powers are extended to City in a designated business district, including:

To renovate, rehabilitate, reconstruct, relocate, repair, or remodel any existing buildings, structures, works, utilities, or fixtures within any business district.

WHEREAS, City has determined, on March 18, 2019, City passed an Ordinance Dissolving and Terminating Highland Business District B, and passed an Ordinance Amending Ordinance No. 2815, Establishing the Highland Business District A, Approving a Business District Plan, Authorizing the Imposition of Collection of a Sales Tax Within Such Business District, and Approving Certain Actions in Connection with the Establishment of Such Business District (*See* Business District A as Amended attached hereto as **Exhibit A**); and

WHEREAS, City has determined the current Business District A is shown on maps contained within the current Business District A as Amended and attached hereto as **Exhibit A**; and

WHEREAS, City desires to encourage commercial building owners in Business District A to upgrade and improve the aesthetics of their existing building facades; and

WHEREAS, City has determined the "Façade Improvement Program" will provide up to 25% of the documented cost to improve the exterior façade of eligible commercial buildings in Business District A; and

WHEREAS, City has determined the maximum payment under the Façade Improvement Program, regardless of the total cost to improve the exterior façade of eligible commercial buildings in Business District A, shall not exceed \$10,000.00; and

WHEREAS, City has determined, for any applicant to be eligible for payment under the Façade Improvement Plan, the minimum total cost to improve the exterior façade of eligible commercial buildings in Business District A shall be \$10,000.00; and

WHEREAS, City has determined it is in the best interests of public health, safety, general welfare, and economic welfare to allocate \$50,000.00 from Business District A sales tax proceeds for the Façade Improvement Program, with said proceeds to be paid out between May 1, 2024 and April 30, 2025; and

WHEREAS, City shall not award incentives under the Façade Improvement Program during the 2024-2025 Fiscal Year in an amount to exceed \$50,000; and

WHEREAS, City has determined it is in the best interests of public health, safety, general welfare, and economic welfare to award incentives according to the order in which the applications were accepted by City as approved (*See* Façade Improvement Program Application attached hereto as **Exhibit B**); and

WHEREAS, City has determined incentives paid by City under the Façade Improvement Program shall include total approved costs incurred by commercial building owners, whether incurred personally or paid to third-party independent contractors, for improvements and repairs to the exterior facades of commercial buildings in Business District A; and

WHEREAS, City has determined the following improvements and repairs may be eligible for incentive payments under the Façade Improvement Program:

- 1. Changes to exterior wall materials/colors;
- 2. Addition of architectural wall panels;
- 3. Addition of other exterior building elements such as faux columns/beams;
- 4. Changes to exterior facing roof materials/colors;
- 5. Enhancement of doors or windows;
- 6. Addition of architecturally compatible awnings or shutters;
- 7. Façade lighting;
- 8. Addition of building or site signs, or sign removal;

#### And

WHEREAS, City has determined the following improvements and repairs may not be eligible for incentive payments under the Façade Improvement Program:

- 1. Working capital and/or debt refinancing;
- 2. Equipment/inventory acquisition;
- 3. Legal fees:
- 4. Plumbing repair/improvements;
- 5. HVAC repair/improvements;
- 6. Parking lot resurfacing;
- 7. Interior remodeling;
- 8. Roofing work;
- 9. Residential structures;
- 10. General maintenance and upkeep of buildings;

#### and

WHEREAS, City has determined Façade Improvement Program incentives may only be used for exterior repairs and improvements to commercial buildings with priority given to building fronts and other portions of buildings that are directly exposed to a street; and

WHEREAS, City has determined a Façade Improvement Program incentive committee shall be formed to review applications and funding requests, and other items may be considered eligible improvements under the Façade Improvement Program at the sole discretion City; and

WHEREAS, City has determined no payments shall be made to any applicant under the City Façade Improvement Program unless and until all information requested by City is submitted by applicant and approved by City as eligible project costs; and

WHEREAS, City, at its sole discretion, shall determine what information shall be required for incentive reimbursement under the City Façade Improvement Program; and

WHEREAS, City, at its sole discretion, shall determine what, if any, costs shall be reimbursed by City under the City Façade Improvement Program; and

WHEREAS, City has determined only completed applications that include all required documents and information will be accepted, estimates provided in applications are for budgeting purposes only, and reimbursements will not exceed any estimate and will be based solely on submitted receipts approved by City as eligible for reimbursement under the Façade Improvement Program; and

WHEREAS, City has determined requirements for incentive payments under the Façade Improvement Program include:

- 1. Improvements must meet all applicable City Code, including for properties in the C-2 zoning district, as outlined in Section 90-239 of the Municipal Code;
- 2. Improvements must be eligible under the provisions of the Façade Improvement Program;

and

WHEREAS, City has determined the approval process under the Façade Improvement Program shall be as follows:

- 1. the Economic Development Coordinator will review Façade Improvement Program applications for completeness and program eligibility;
- 2. Once reviewed and deemed complete and eligible, the Economic Development Coordinator shall forward applications and recommendations to the Façade Improvement Program review committee for consideration;
- 3. Once approved by the Façade Improvement Program incentive committee, the recommendation for incentive payment shall be sent to the City Council for final approval under the Façade Improvement Program;

and

WHEREAS, if incentive funding is approved by City Council under the Façade Improvement Program, the applicant shall enter an Agreement with the City (See Façade Improvement Program Agreement attached hereto as **Exhibit C**); and

WHEREAS, City has determined the requirements to receive incentive payments from the Façade Improvement Plan after approval by City Council are:

- 1. Applicant must enter the Façade Improvement Program Agreement;
- 2. The façade repair and/or improvement must commence within 90 days of approval;
- 3. Façade Improvement Program incentive payments shall only be disseminated once the authorized façade construction has been completed and verified by the City, and receipts have been submitted, verified, and approved by City;
- 4. Façade Improvement Program incentive payments may be disseminated to the applicant within 45 days of passing inspection and receipt verification, but City shall not be obligated to make any payment according to any deadline;
- 5. All Façade Improvement Program applications must be approved by City Council before the commencement of the façade improvement to be eligible for the incentive payment;
- 6. All work is subject to prevailing wage requirements. Applicant must demonstrate compliance with this requirement.

#### And

WHEREAS, City has determined any applicant that is awarded an incentive payment under the Façade Improvement Program shall not be eligible to receive another Façade Improvement Program payment for five (5) years from the date of payment by City; and

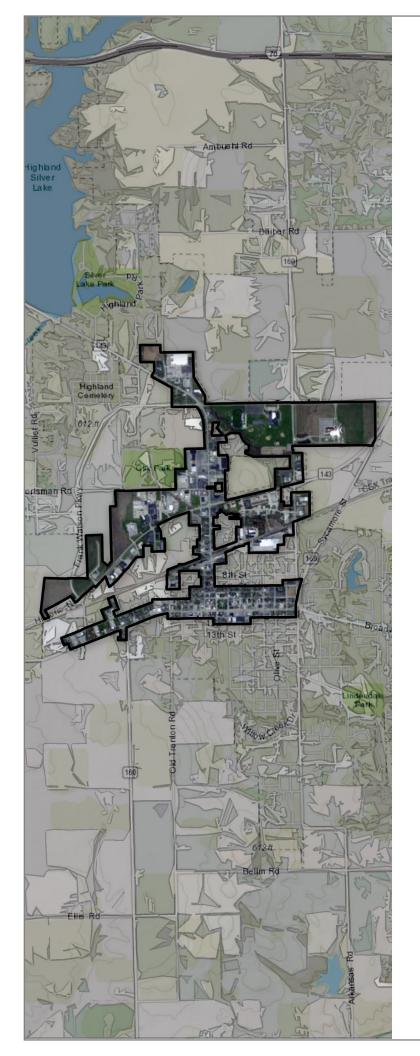

WHEREAS, City has determined it is in the best interests of public health, safety, general welfare, and economic welfare to enact the Façade Improvement Program as stated herein and according to the Façade Improvement Program Application (**Exhibit B**) and the Façade Improvement Program Agreement (**Exhibit C**); and

WHEREAS, City has determined the City Manager and/or Mayor shall be authorized and directed to execute any document required to enact the Façade Improvement Program as stated herein and according to the Façade Improvement Program Application (**Exhibit B**) and the Façade Improvement Program Agreement (**Exhibit C**).

# NOW, THEREFORE, BE IT ORDAINED, BY THE CITY COUNCIL OF THE CITY OF HIGHLAND:

Section 1. The foregoing recitals are incorporated herein as findings of the City Council of the City of Highland, Illinois.

	provement Program, as stated herein and according to the ration ( <b>Exhibit B</b> ) and the Façade Improvement Program
Section 3. This Ordinance effective upon its passage and approva	shall be known as Ordinance No and shall be l in accordance with law.

#### SECTION I. INTRODUCTION

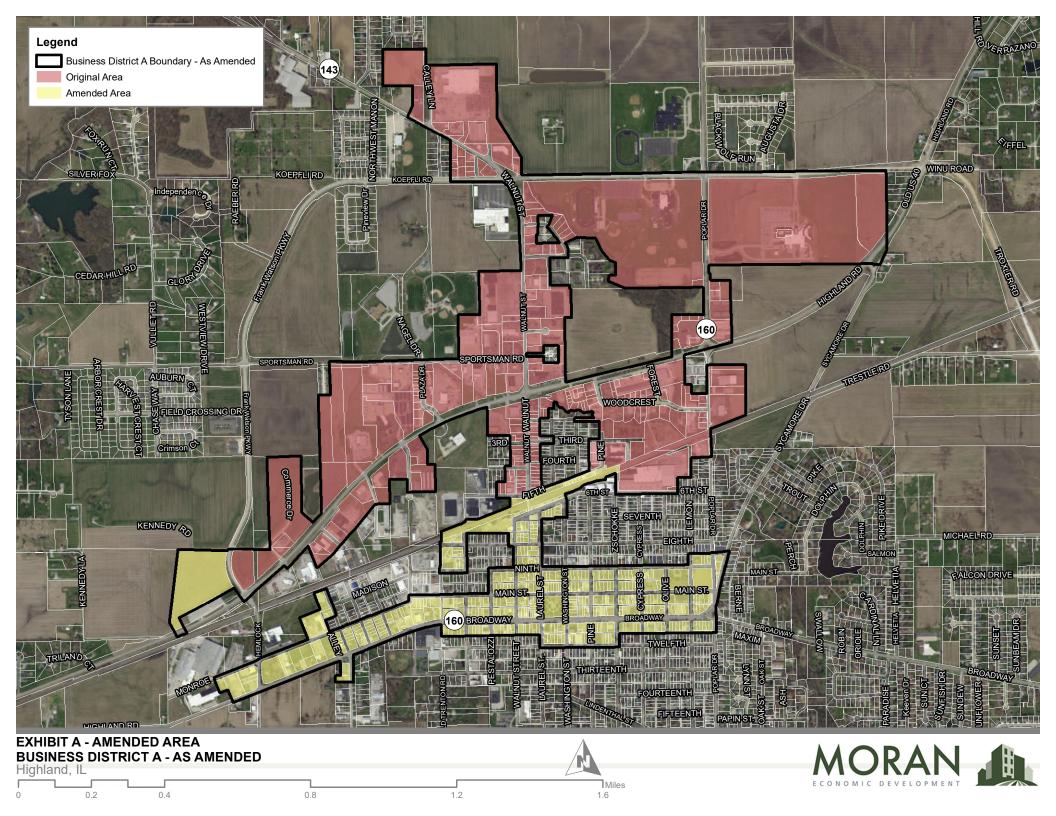

Municipalities are authorized to create Business Districts by the Illinois Municipal Code, specifically in 65 ILCS 5/11-74.3 et seq. (the "Act"). The Act sets forth the requirements and procedures for establishing a Business District and a Business District Plan. Additionally, this portion of the Act has provisions for amending a redevelopment plan and project.

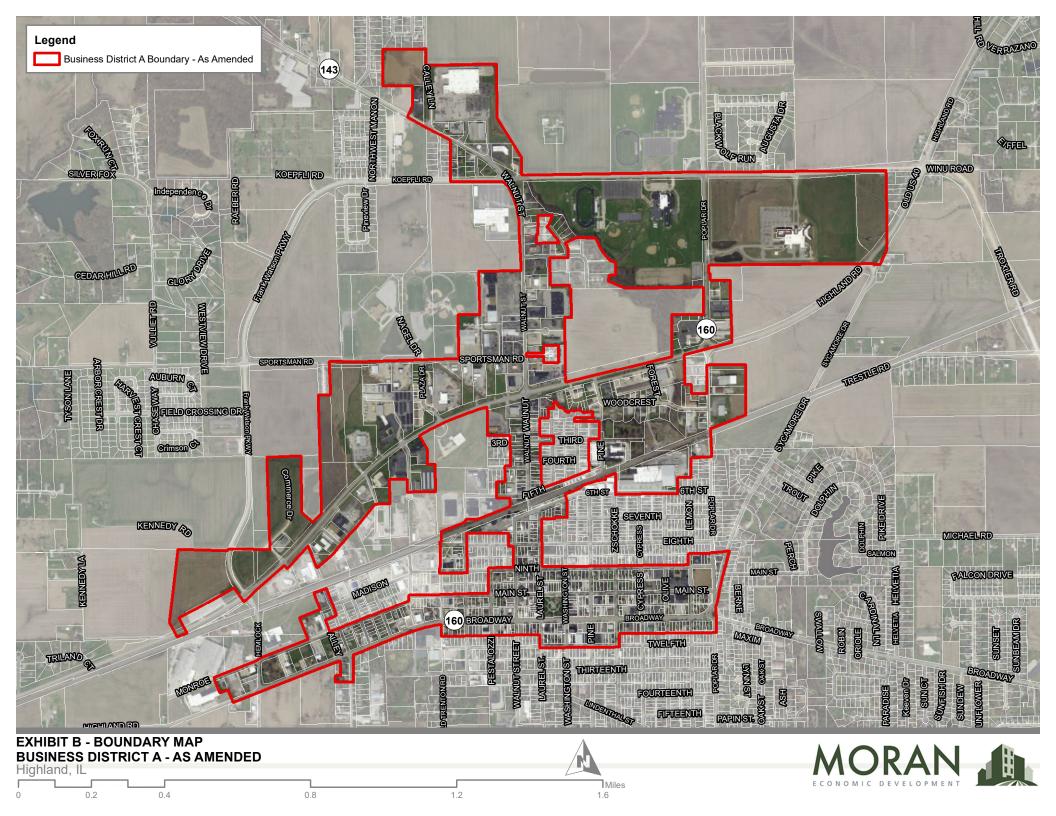

On September 18, 2017, the City of Highland (the "City") passed Ordinances adopting and establishing the Business District A Redevelopment Plan (the "Original Plan") and Redevelopment Project Area (the "Original Area"). On February 4, 2019, the City passed an Ordinance establishing a Public Hearing Date to give notice of the City's intent to amend that Original Plan to provide for the inclusion of additional parcels of property. Such action was deemed desirable as part of the City's continuous effort to maximize the potential of the Business District. The proposed Area to be added through amendment (the "Amended Area"), as well as the Original Area, can be seen in Exhibit A. The Boundary Map for the Amended Area as a whole is shown in Exhibit B.

This Amended Business District Redevelopment Plan (the "Amended Plan") includes the following:

- II-A. Blight Analysis of Amended Area
  - A. Introduction
  - B. Statutory Qualifications
  - C. Investigation and Analysis of Blighting Conditions
  - D. The Proposed Amended District
  - E. Review of Findings & Qualifications of the Amended District

  - B. Completion of Busines s District Projects/Retirement of Obligations

#### SECTION II. AMENDMENT TO BUSINESS DISTRICT REDEVELOPMENT PLAN

Business Districts are authorized by the Illinois Municipal Code, specifically in 65 ILCS 5/11-74.3 "the Act". The Act finds and declares that:

- It is essential to the economic and social welfare of each municipality that business districts be developed, redeveloped, improved, maintained and revitalized, that jobs and opportunity for employment be created within the municipality, and that, if blighting conditions are present, blighting conditions be eradicated by assuring opportunities for development, or redevelopment, encouraging private investment, and attracting sound and stable business and commercial growth;
- It is further found and determined that as a result of economic conditions unfavorable to the creation, development, improvement, maintenance, and redevelopment of certain business and commercial areas within municipalities opportunities for private investment and sound and stable commercial growth have been and will continue to be negatively impacted and business and commercial areas within many municipalities have deteriorated and will continue to deteriorate, thereby causing a serious menace to the health, safety, morals, and general welfare of the people of the entire State, unemployment, a decline in tax revenues, excessive and disproportionate expenditure of public funds, inadequate public and private investment, the unmarketability of property, and the growth of delinquencies of crime.
- In order to reduce threats to and to promote and protect the health, safety, morals, and welfare of the public and to provide incentives which will create employment and job opportunities, will retain commercial businesses in the State and related job opportunities and will eradicate blighting conditions if blighting conditions are present, and for the relief of unemployment and the maintenance of existing levels of employment, it is essential that plans for business districts be created and implemented and that business districts be created, developed, improved, maintained, and redeveloped.
- The creation, development, improvement, maintenance, and redevelopment of business districts will stimulate economic activity in the State, create and maintain jobs, increase tax revenues, encourage the creation of new and lasting infrastructure, other improvements, and facilities, and cause the attraction and retention of businesses and commercial enterprises which generate economic activity and services and increase the general tax base, including, but not limited to, increased retail sales, hotel or restaurant sales, manufacturing sales, or entertainment industry sales, thereby increasing employment and economic growth.
- It is hereby declared to be the policy of the State, in the interest of promoting the health, safety, morals, and general welfare of all the people of the State, to provide incentives which will create new job opportunities and retain existing commercial businesses within the State and related job opportunities, and it is further determined and declared that the relief of conditions of unemployment, the maintenance of existing levels of employment, the creation of new job opportunities, the retention of existing commercial businesses, the increase of industry and commerce within the State, the reduction of the evils attendant upon unemployment, and the increase and maintenance of the tax base of the State and its political subdivisions are public purposes and for the public safety, benefit, and welfare of the residents of this State.
- The exercise of the powers provided in this Law is dedicated to the promotion of the public interest, to the enhancement of the tax base within business districts, municipalities, and the State and its political subdivisions, the creation of employment, and the eradication of blight, if present within the business district, and the use of such powers for the creation, development, improvement, maintenance, and redevelopment of business districts of a municipality is hereby declared to be for the public safety, benefit, and welfare of the residents of the State and essential to the public interest and declared to be for public purposes.

 The Act is intended to be used by municipalities to address and eradicate problems that cause areas to qualify as "blighted", and to carry out development and redevelopment projects that serve this end.

The Act allows a municipality to accomplish development, redevelopment and rehabilitation activities on a locally-controlled basis. Development, redevelopment and rehabilitation within a designated District will maintain existing taxes from sales within the District and, thus, maintain existing tax revenues and create new tax revenues which will be used to improve the District. These tax revenues can be used to finance certain "Business District Costs" as identified within the Act.

The statute allows the corporate authorities to designate an area of the municipality as a business district after a public hearing. Powers extended to the corporate authorities in a designated business district include the following:

- To make and enter into all contracts necessary or incidental to the implementation and furtherance of a business district plan. A contract by and between the municipality and any developer or other nongovernmental person to pay or reimburse said developer or other nongovernmental person for business district project costs incurred or to be incurred by said developer or other nongovernmental person shall not be deemed an economic incentive agreement under Section 8-11-20, notwithstanding the fact that such contract provides for the sharing, rebate, or payment of retailers' occupation taxes or service occupation taxes (including, without limitation, taxes imposed pursuant to subsection (11)) the municipality receives from the development or redevelopment of properties in the business district. Contracts entered into pursuant to this subsection shall be binding upon successor corporate authorities of the municipality and any party to such contract may seek to enforce and compel performance of the contract by civil action, mandamus, injunction, or other proceeding.
- Within a business district, to acquire by purchase, donation, or lease, and to own, convey, lease, mortgage, or dispose of land and other real or personal property or rights or interests therein; and to grant or acquire licenses, easements, and options with respect thereto, all in the manner and at such price authorized by law. No conveyance, lease, mortgage, disposition of land or other property acquired by the municipality or agreement relating to the development of property, shall be made or executed except pursuant to prior official action of the municipality. No conveyance, lease, mortgage, or other disposition of land owned by the municipality, and no agreement relating to the development of property, within a business district shall be made without making public disclosure of the terms and disposition of all bids and proposals submitted to the municipality in connection therewith. To acquire property by eminent domain in accordance with the Eminent Domain Act.
- To clear any area within a Business District by demolition or removal of any existing buildings, structures, fixtures, utilities, or improvements, and to clear and grade land.
- To install, repair, construct, reconstruct, or relocate public streets, public utilities, and other public site improvements within or without a business district which are essential to the preparation of a business district for use in accordance with a business district plan.
- To renovate, rehabilitate, reconstruct, relocate, repair, or remodel any existing buildings, structures, works, utilities, or fixtures within any business district.
- To construct public improvements, including but not limited to buildings, structures, works, utilities, or fixtures within any business district.
- To fix, charge, and collect fees, rents, and charges for the use of any building, facility, or property or any portion thereof owned or leased by the municipality within a business district.

- To pay or cause to be paid business district project costs. Any payments to be made by the municipality to developers or other nongovernmental persons for business district project costs incurred by such developer or other nongovernmental person shall be made only pursuant to the prior official action of the municipality evidencing an intent to pay or cause to be paid such business district project costs. A municipality is not required to obtain any right, title, or interest in any real or personal property in order to pay business district project costs associated with such property. The municipality shall adopt such accounting procedures as shall be necessary to determine that such business district project costs are properly paid.
- Utilize up to 1% of the revenue from a business district retailers' occupation tax and service occupation tax imposed under paragraph (10) and a hotel operators' occupation tax under paragraph (11) of Section 11-74.3-3 in connection with one business district for eligible costs in another business district that is: (A) contiguous to the business district from which the revenues are received; (B) separated only by a public right of way from the business district from which the revenues are received; or (C) separated only by forest preserve property from the business district from which the revenues are received if the closest boundaries of the business districts that are separated by the forest preserve property are less than one mile apart.
- To apply for and accept grants, guarantees, donations of property or labor or any other thing of value for use in connection with a business district project.
- If the municipality has by ordinance found and determined that the business district is a blighted area under this Law, to impose a retailers' occupation tax and a service occupation tax in the business district for the planning, execution, and implementation of business district plans and to pay for business district project costs as set forth in the business district plan approved by the municipality.
- If the municipality has by ordinance found and determined that the business district is a blighted area under this Law, to impose a hotel operators' occupation tax in the business district for the planning, execution, and implementation of business district plans and to pay for the business district project costs as set forth in the business district plan approved by the municipality.

The Act specifies that before a municipality can designate a District which imposes a retailers' occupation tax and create a Plan for such a District, the municipality must find that the District is "blighted", as that term is defined in the Act.

The Act also requires that any Plan adopted by a municipality include:

- A specific description of the District boundaries and map;
- A general description of each project proposed to be undertaken within the District including a
  description of the approximate location of each project and a description of any developer, user,
  or tenant of any property to be located or improved within the proposed business district;
- The name of the proposed District;
- The estimated business district project costs;
- Anticipated source of funds to pay District project costs;
- Anticipated type and terms of any obligations to be issued; and
- The retailers' occupation tax and service occupation tax, if any, and the rate of such taxes and the period of time for which the tax shall be imposed.

#### SECTION II-A. BLIGHT ANALYSIS OF AMENDED AREA

#### A. Introduction

Municipalities are authorized to create business districts by the Illinois Municipal Code (65 ILCS 5/11-74.3 et seq. - the "Act"). The Act sets forth the requirements and procedures for establishing a business district and a business district plan, as well as for amending such districts and plans. The City has deemed such action desirable in order to maximize the potential of the existing Business District program.

The criteria and individual factors that were utilized in conducting the evaluation of the conditions in the Proposed Amended District Area (the "Amended District") are outlined on the following pages.

#### **B.** Statutory Qualifications

The definitions for qualifying the Amended District as "blighted" are defined in the Act as follows:

"Blighted area" means an area that is a blighted area which, by reason of the predominance of defective, non-existent, or inadequate street layout, unsanitary or unsafe conditions, deterioration of site improvements, improper subdivision or obsolete platting, or the existence of conditions which endanger life or property by fire or other causes, or any combination of those factors, retards the provision of housing accommodations or constitutes an economic or social liability, an economic underutilization of the area, or a menace to the public health, safety, morals, or welfare.

#### C. Investigation and Analysis of Blighting Conditions

In determining whether or not the Amended Area meets the eligibility requirements of the Act, various methods of research and field surveys were utilized. These included:

- On-site field examination of conditions in the District by experienced staff of Moran Economic Development. These personnel are trained in techniques and procedures of determining conditions of local properties, utilities, streets, etc., and determination of eligibility of areas for business district designation.
- Research of documentation and property records made available through the Madison County Supervisor of Assessments.
- Interviews with City engineers on the existing conditions of the utilities and infrastructure in the Area
- Review of the findings and determinations established by the Act in creating business districts. These findings include:
  - That it may be considered essential to the economic or social welfare of the municipality that business districts be maintained and revitalized by assuring opportunities for development or redevelopment and attracting sound and stable business and commercial growth.
  - That such a result should conform to the comprehensive plan of the municipality and a specific plan for business districts officially approved by the corporate authorities of the municipality after the public hearing.
  - That the exercise of the powers provided in Section 11 74.3 1 (of the Act) is dedicated to the promotion of the public interest and to the enhancement of the tax base of business districts, and the use of such powers for the development and redevelopment of business districts of a municipality is hereby declared to be a public use essential to the public interest.

The Act specifies that certain requirements must be met before a municipality can proceed with implementing business district development and redevelopment projects and imposing the retailers' occupation tax, service occupation tax, and hotel operators' occupation tax. One of these is that the municipality must demonstrate that the area to be added to the District qualifies as eligible for business district designation.

#### D. The Proposed Amended Area

The proposed area for inclusion through amendment to the Highland Business District A (the "District") encompasses 402 parcels of property and rights-of-way in the City. Generally, the Amended Area includes the east-west downtown corridor of the City. Beginning at the eastern portion of the boundary

the Amended Area takes in parcels adjacent to Poplar Street and continues west, taking in property south of Ninth Street and north of Twelfth Street. At Laurel Street the Amended Area takes in properties north to the railroad and west to Walnut Street. West of Walnut Street the Amended Area continues to Chestnut Street and then southwest to take in properties between Highland Road and Monroe Street. The Amended Area takes in parcels just east of Hemlock Street, which make up the southwestern portion of the boundary. North of US-40 a parcel west of Frank Watson Parkway is also taken in, which makes up the westernmost portion of the Amended Area. The original Business District Boundary Area, as well as the Amended Area is shown in the attached Exhibit A, and the Amended Business District Boundary Map as Exhibit B. The existing land use in the Amended District is attached as Exhibit C.

#### E. Review of Findings & Qualifications of the Amended Area

In order to impose the retailers' occupation tax and service occupation tax, the corporate authorities of the municipality shall make a formal finding that the Amended Area is a "Blighted Area", as defined in the Act. The following is a review of the findings:

#### Deterioration of Site Improvements

The majority of the Amended Area exhibits deteriorated site improvements in some form, which can be classified as either structural or surface improvements. Approximately 68% of the 464 structures in the Amended Area show some sort of notable defects in the structural components, which were common in foundations, exterior walls, roofs, doors, windows, gutters, downspouts, siding, and other fascia materials. The Amended Area encompasses the older portion of the City, and as such many of the deterioration present in the structures can be attributed to general age.

Additionally 66% of the parcels exhibit deteriorated surface improvements. Common forms of this type of deterioration found were cracking sidewalks, unkempt gravel areas, cracked and deteriorated roadway surfacing, potholes, crumbling asphalt, and grass or weed growth in some of the surface improvements. In other portions of the proposed district parking lots, entry ways, alleyways, and driveways lack proper pavement and exhibit clear signs of deterioration. Similarly to the structural deterioration much of the surface deterioration can be attributed to general age, as over time vehicular wear and exposure to the elements degrades the improvements. This is especially true in northern and western portions of the area.

In addition to the structural and surface deterioration, deteriorated utilities exist in one form or another throughout the area. Conversations with City officials and utility experts have confirmed that much of the water and sewer piping in the Amended Area is antiquated. Portions of the system serving the main thoroughfares date back to the 1920's, with cast iron lines that are considerably outdated due to their susceptibility to breakage. In addition to the outdated lines some of the mains in the Amended Area are undersized, and in combination these two factors could lead to fire suppression issues, which are detailed further below.

#### • Existence of Conditions Which Threaten Property by Fire

The aged and deteriorated utilities in the Amended Area could potentially limit fire suppression. Additionally the undersized mains may be inadequate for sufficient fire flows. These problems become more threatening in the older portion of the Amended Area where there are examples of excessive land coverage and overcrowding of structures. These conditions are representative of the over-intensive use of property and the crowding of buildings and accessory facilities onto a site, such as the presence of buildings either improperly situated on parcels or located on parcels of inadequate size and shape in relation to present-day standards of development for health and safety and the presence of multiple buildings on a single parcel. These issues are further discussed below as they relate to the improper subdivision or obsolete platting, but they also contribute to the conditions which threaten property by fire in that it creates an increased threat of the spread of fire due to the close proximity of buildings.

#### • Improper Subdivision or Obsolete Platting

Many of the parcels within the Amended Area are characterized by improper subdivision or obsolete platting. The existing platting does not meet the needs of the contemporary commercial users, as described below:

A number of the uses in the Amended Area have changed over time, and consequently the manner in which they were platted makes little sense for their current use and would hamper future land use. These parcels contribute to parking issues and are an inefficient use of land and represent improper subdivision and obsolete platting.

In addition, numerous parcels especially in the north and western area are narrow with configurations of irregular size or shape that would be difficult to develop on a planned basis and in a manner compatible with contemporary standards and parking/loading requirements. These parcels do not allow for sufficient access to and frontage along the nearest rights-of-way.

Further, there are several parcels which remain vacant due to a combination of odd shape, inadequate drainage, and lack of adequate access to, or visibility from the street. These parcels are, or will likely become, usable and begin to contribute to the City's tax base upon the redevelopment of all or a portion of the Amended Area.

Lastly, the improper subdivision or obsolete platting is evidenced by the overcrowding of structures and excessive land coverage detailed prior, which in turn contributes to other blighting factors in the Amended Area.

The Amended Area, by reason of a predominance of the deterioration of site improvements, existence of conditions which threaten property by fire, and improper subdivision or obsolete platting constitutes an economic and social liability to the City. Additionally, a menace to the public health, safety, morals, or welfare is present because of the existing conditions in the Amended Area.

The presence of deteriorated conditions can create a perception of an area in decline, where investment or reinvestment is not occurring. The Amended Area consists of the City's older downtown commercial area and some of the older residential blocks. When reinvestment does not occur in aging properties then the structural and surface improvements decline, and in turn property values decrease. This is notable in the vast majority of the parcels in the Amended Area, and contributes to the economic liability of the Area as a whole. This liability can be analyzed in terms of the relative equalized assessed valuation (EAV) growth rate of the Proposed Amended District compared to the balance of the City, which is the City's EAV minus the EAV of the Amended Business District properties. This comparison is illustrated in Table A.

TABLE A - AMENDED AREA EAV GROWTH RATES

YEAR	HIGHLAND <sup>1</sup>	BUSINESS DISTRICT <sup>2</sup>	% CHANGE	BALANCE <sup>3</sup>	% CHANGE
2016	\$186,123,330	\$14,707,190	0.28%	\$171,416,140	1.96%
2015	\$182,790,762	\$14,666,590	-0.44%	\$168,124,172	-0.05%
2014	\$182,931,002	\$14,731,020	0.70%	\$168,199,982	2.38%
2013	\$178,912,610	\$14,629,310	-3.68%	\$164,283,300	-2.15%
2012	\$183,079,397	\$15,187,750	-1.15%	\$167,891,647	-0.77%
2011	\$184,554,189	\$15,364,120	-	\$169,190,069	-

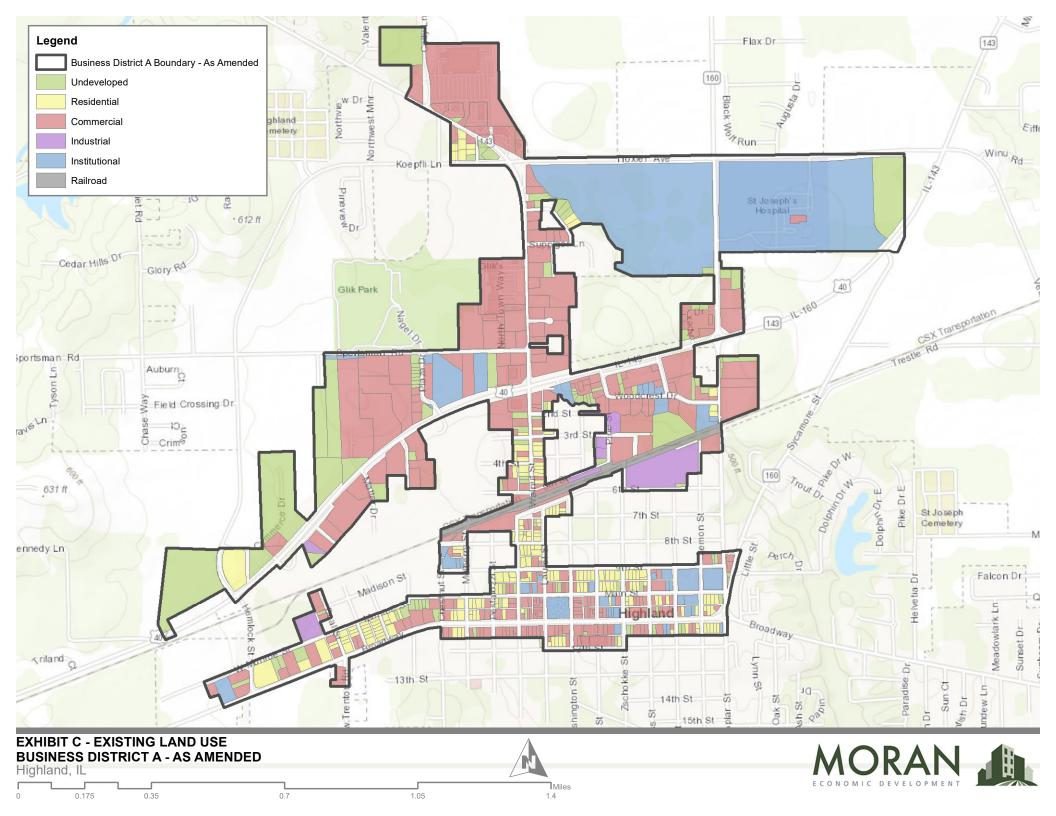

<sup>&</sup>lt;sup>1</sup>Total City Equalized Assessed Value (EAV). Source: Madison County Clerk

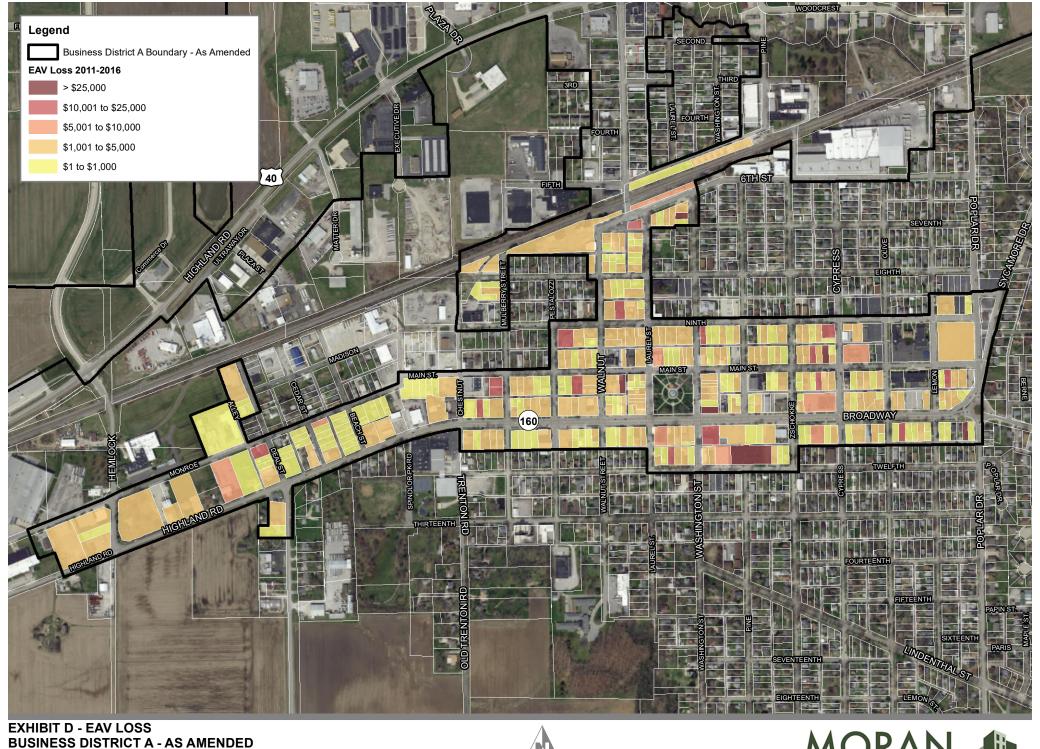

From 2011-2016 the properties in the Amended Area had lower annual EAV growth rates than the balance of the City. Additionally, the properties in the Amended Area had several years of negative EAV growth, averaging a loss of 0.86% annually. Of the 402 parcels in the Area, 368 (92%) have lost value since 2011. This predominance of a lack of economic growth is illustrated in Exhibit D. This is evidence that the properties in the District are not only failing to maintain comparable growth rates to the balance of

<sup>&</sup>lt;sup>2</sup>Total EAV of the Parcels in the Amended Area. Source: Madison County Supervisor of Assessments

<sup>&</sup>lt;sup>3</sup>Total City EAV Minus the EAV of the Parcels in the Amended Area

Highland, IL 0.2 0.4 0.6

the City, but also that they are declining in value. As such, the properties pose as an economic liability to the City.

The social liability can be assessed in terms of the loss of property tax revenues which provide for essential services to City residents, particularly police, fire, and emergency services. The Highland Police, Fire, and EMS departments are facing financial challenges and require additional support to maintain current levels of service going forward. The properties in the Amended Area that have declined in value since 2011, as shown in Exhibit D, combine to total over \$1M in lost EAV over this time period. This equates to lost tax revenues which are used to fund essential services for the public. As such, the Amended Area poses a social liability to the City.

The blighting conditions in the Amended Area, in combination, create a menace to the public health, safety, and welfare. This is largely represented by the social liability discussed prior, but the fact that the properties in the District are declining in value creates a liability to those services funded by the associated tax revenues. When the services are police, fire, and EMS, then there are conditions present which create a menace to public health, safety, and welfare. Additionally, failures in the aged and deteriorated utilities could lead to fire protection issues.

#### F. Qualification Summary & Findings

The Amended Area is found to be eligible as "blighted" due to the presence conditions representative of those outlined in the Act. These include:

- Unsanitary or Unsafe Conditions
- Deterioration of Site Improvements
- Existence of Conditions Which Endanger Property
- Improper Subdivision or Obsolete Platting

The prior factors, in combination, contribute to the Amended Area being an economic liability to the City, as well as contribute to the economic underutilization of the area. These factors also create a potential menace to the public health, safety, morals or welfare. Additional findings for the Amended Area include:

- The Amended Area, on the whole, has not been subject to growth and development through private enterprise.
- The Amended Area would not reasonably be anticipated to be developed or redeveloped without the aid of being a part of a Business District Development or Redevelopment Plan.
- The Amended Business District Development Plan conforms to the Comprehensive Plan for the development of the municipality as a whole.

#### SECTION II-B. AMENDED BUSINESS DISTRICT REDEVELOPMENT PLAN

The City of Highland, Illinois is considering the approval of the Amended Business District A Plan in order to provide an important tool for the remediation of blighting conditions present in the City. In looking to achieve this end, the City will seek to adhere to certain objectives and policies.

#### A. Objectives

The objectives of the Plan are to:

- Strengthen and grow the City's property and sales tax base, and increase the number of jobs within the City, through the expansion of economic activity within Highland.
- Provide the highest level of emergency medical care and public safety to the community.
- Continue to make Highland a "Healthy Community"
- Establish Highland as a destination for regional-scale retailing.
- Retain small businesses throughout the community.
- Explore ways to attract tenants to existing buildings.
- Achieve better design and aesthetics in retail and commercial areas throughout the Business District, including these areas' private and public structures, landscaping and signage.
- Improve the local roadway system to enable residents to easily patronize the City's shopping areas.
- Identify, meet and maintain the City's infrastructure needs.
- Upgrade the utilities throughout the Area, including the water distribution system and sanitary sewer system.
- Ensure the City's ability to provide adequate and safe collection and treatment of storm water and sanitary waste in the future.
- Promote continued investment in the City's infrastructure and services (water, sewer, electric, public safety, internet and telecommunications) to ensure quality, affordable utilities to serve Highland's present and future needs. Incremental upgrades to the city's aging infrastructure and public works are recommended to avoid costly one-time expenditures and allow the city to spread the costs out over several years.
- Ameliorate the blighting conditions within the District.
  - Upgrade the utilities throughout the Area, including the water distribution system and sanitary sewer system.
  - Redevelopment of those properties exhibiting deteriorated conditions, and other general site improvements.
- Enhance the sales tax base of the District.
  - Recruit new retail businesses to promote future sales tax growth.
  - Retain small businesses to the community.
- Enhance the property tax base of the District.
  - Recruit new development and encourage redevelopment to increase the EAV of the properties in the Area, which in turn creates new property tax revenues for all associated taxing districts.
- Continue to redevelop and revitalize downtown as a City center with a small town character which has a sense of place, is aesthetically attractive, and provides residential and commercial activities, and accommodates both vehicles and pedestrians.
- Evaluate the uses, walkability, design, and architectural styles of the general downtown to plan for future development.
- Reclaim the City's historic downtown through (re)development utilizing historic architecture, design and materials, for both public and private investment.
- Make downtown more accessible to residents and visitors, by integrating parking needs into land use planning and zoning.

#### B. Policies

The City of Highland will follow certain policies to achieve the objectives outlined above.

#### These policies include:

- Use Business District-derived revenues to implement the Plan.
- Utilize City staff and consultants to undertake those actions necessary to accomplish the specific public-side actions and activities outlined in the Business District Plan.
- Provide financial assistance, as permitted by the Act, to complete those certain private actions and activities as outlined in the Business District Plan.
- Use Business District-derived revenues to support new development.
- Use Business District-derived revenues to carry out public infrastructure improvements.
- Utilize the powers extended to the corporate authorities in a designated District.

These objectives and policies may be amended from time to time as determined by the City.

#### C. Components of the Amended Business District Plan

#### 1. Boundary Delineation

A number of factors were taken into consideration in establishing the boundary of both the Original Area and Amended Area. Established planning guidelines and standards have been followed in delineating the boundary and preparing the Plan.

Field investigators employed by Moran Economic Development conducted research of the area and environs in order to ascertain the existence and prevalence of blighting factors. Moran Economic Development was assisted by information from Madison County and the City of Highland. Based upon these investigations, the eligibility requirements for establishing and enabling taxes, the determination of redevelopment needs within the City, and the location of the blighting factors found, the boundaries of the District were determined.

The original Business District A Area encompasses 250 parcels of property and rights-of-way in the City. Generally, the Original Area includes the commercial district of the City along IL-143 and US-40. Parcels adjacent to the intersection of Cally Lane and IL-143 make up the northernmost portion of the boundary, and the Area continues south to take in parcels adjacent to IL-143. At Troxler Avenue the Area extends east to IL-160, and takes in adjacent parcels. The Area takes in properties along IL-143 at the intersection with US-40, and extends south to the railroad tracks. East of this area the properties adjacent to Woodcrest Drive are taken in, which make up the southeastern portion of the boundary. At US-40 the Area continues west-southwest and takes in adjacent properties until reaching Frank Watson Parkway, which makes up the southwestern portion of the boundary.

The Amended Area encompasses 402 parcels of property and rights-of-way in the City. Generally, the Amended Area includes the east-west downtown corridor of the City. Beginning at the eastern portion of the boundary the Area takes in parcels adjacent to Poplar Street and continues west, taking in property south of Ninth Street and north of Twelfth Street. At Laurel Street the Area takes in properties north to the railroad and west to Walnut Street. West of Walnut Street the Area continues to Chestnut Street and then southwest to take in properties between Highland Road and Monroe Street. The Area takes in parcels just east of Hemlock Street, which make up the westernmost portion of the boundary.

#### 2. The Development Project

The development goals of the City of Highland for the Business District envision a program resulting in the redevelopment of the downtown corridor in the City, through repair and rehabilitation of the existing improvements and construction of new improvements. The satisfaction of these needs will increase the sales and property tax revenues generated in the Area for the City, as well as provide a revenue source for the City to make necessary infrastructure improvements throughout the Area. These goals will be accomplished through both public and private projects to encourage commercial growth in the District. These projects will be undertaken by a range of stakeholders, from developers and property owners in the Area to the City itself. The Plan is to be adopted without specific designation of the developers for these

projects as they will be executed in phases throughout the life of the Business District. Projects may include multiple developers on a larger scale site development, individual property owners making building or site improvements on a smaller scale, or improvement projects initiated by the City. Thus, no specific users or tenants are presently identified; rather, as Developers are attracted to redevelop the Area, these will be considered by the City.

#### **Key Projects for the Plan include:**

- Construction of a new public safety facility which will serve this area and others;
- Fire and EMS Capital Costs as determined by the City;
- Upgrade of utilities to include water, sanitary and storm sewer drainage improvements; replacement of water lines, and other sewer and water system components; improvement to water treatment plant; potential construction of a retention pond to alleviate flooding issues; specifically water main replacement along IL Route 143.
- Infrastructure improvements, including the development of the interior and exterior street networks within the area:
- Further implementation of a Business Recruitment & Business Retention Program.
- Marketing the City of Highland to outside investors;
- The development of additional commercial or retail stores within the District;
- Construction and reconstruction of sidewalks throughout the Area;
- The facilitation of private investment within the District;
- Repair, renovation or remodeling of existing buildings, to include both exterior and interior improvements;
- Expansion of existing buildings to promote business growth and improve the marketability of existing buildings;
- Creation of a Façade Improvement Program;
- Creation and maintenance of public parking areas especially downtown;
- Improve existing streetscape and signage;
- Incorporate landscape elements designed to concentrate or remove silt and pollution from surface runoff water:
- Installation of storm sewer culverts;
- Utility trunk lines (e.g. water, sanitary sewer, telephone, etc.) constructed or reconstructed in road right-of-way or other public easements, replacing the existing overhead utility lines;
- Continue to improve handicap accessibility throughout the Area;
- Continued streetscape improvements along Broadway and other area roads, including lighting and banners to correspond with the existing improvements;
- The facilitation of private investment within the District; and
- Other activities or costs permitted under the Act.

The City intends to provide limited economic development assistance through the funding of certain development costs to be incurred by a developer(s) for these Projects under the terms and conditions of separate development agreements, as guided by the policies of this Amended Plan. Economic development assistance shall include expenditures for public improvements and extraordinary project costs. These costs for the Projects are estimated in Table B on the following page.

Table B should not be construed to limit the ability of the City to enter into development agreements, which provide for other costs, additional costs, or a different distribution of these costs among the various line items. Specific limitations on such cost items and any distribution between them will be specified in development agreements by and between the City and any developer(s).

#### 3. Name of Business District

The name of the District is Business District A.

#### 4. Estimated Business District Project Costs

The cost estimate associated with development activities to be funded from available revenues of the City (the "Pledged Revenues") as discussed below, is presented in Table B - Estimated Amended Business District Project Costs. The estimate includes reasonable and necessary costs incurred, or estimated to be incurred, during the implementation of the Amended Business District Plan. The estimated costs in Table B are subject to refinement as specific plans and designs are finalized and experience is gained in implementing the Amended Plan and do not include financing costs and the retail sales tax which will be applied to pay the portion of such costs which are eligible to be funded under the Act. As such, debt service and expenses associated with issuance bonds, or other obligations, are in addition to costs stated in Table B. It should also be noted that the Estimated Amended Business District Project Costs listed below are likely to be more than might be extended to a developer through any formal agreement between a developer and the City.

TABLE B - ESTIMATED AMENDED BUSINESS DISTRICT PROJECT COSTS

DESCRIPTION	ESTIMATED COSTS
Costs of studies, surveys development of plans, and specifications, implementation and administration of the district including but not limited to staff and professional service costs for architectural, engineering, legal, financial, planning and other services;	\$1,800,000
Property assembly costs, including but not limited to acquisition of land and other real or personal property;	\$2,000,000
Site preparation costs, including but not limited to clearance, demolition or removal of any existing buildings, structures, fixtures, utilities, and improvements and clearing and grading of land;	\$4,200,000
Costs of installation, repair, construction, reconstruction, extension, or relocation of public streets, public utilities, and other public site improvements within or without the business district which are essential to the preparation of the business district for use in accordance with the business district plan, and specifically including payments to developers or other nongovernmental persons as reimbursement for site preparation costs incurred by the developer or nongovernmental person;	\$6,000,000
Costs of renovation, rehabilitation, reconstruction, relocation, repair, or remodeling of any existing buildings, improvements, and fixtures within the business district, and specifically including payments to developers or other nongovernmental persons as reimbursement for costs incurred by those developers or nongovernmental persons;	\$3,500,000
Costs of installation or construction within the business district of buildings, including public safety buildings, structures, works, streets, improvements, equipment, utilities, or fixtures	\$19,000,000
General financing costs including but not limited to all necessary and incidental expenses related to the issuance of obligations including payment of interest on obligations;	\$1,500,000
TOTAL ESTIMATED BUDGET	\$38,900,000

Expenditures in individual categories may differ from those shown above; however, the total amount of the Estimated Redevelopment Project Costs will not exceed \$38,900,000 plus any additional interest and financing costs as may be required. Adjustments may be made among budget categories to reflect implementation of the Plan.

#### 5. Anticipated Source of Funds to Pay Business District Project Costs

The anticipated source of funds to pay District project costs are those tax revenues raised by the retailers' occupation tax to be imposed by the Business District (the "Business District Tax") which

will be applied to pay eligible costs under the Act. In addition, the District's costs and obligations may be paid for, in whole or in part, by revenues from other funding sources. These may include state and federal programs, municipal sales tax revenue and tax increment financing revenues in those portions of the Amended Business District which overlap with the Amended Business District Redevelopment Area (collectively, the "Pledged Revenues").

#### 6. Anticipated Type and Terms of Any Obligations to be issued

In order to expedite the implementation of the Amended Business District Plan, The City of Highland, pursuant to the authority granted to it under the Act, may issue obligations to pay for the Amended Business District Costs. These obligations may be secured by future amounts to be collected and allocated to the Business District Tax Allocation Fund. Such obligations may take the form of any loan instruments authorized by the Act.

Such loans or obligations may be issued pursuant to the Amended Business District Plan. The City anticipates that notes, bonds, or similar obligations may be issued secured by revenues in the Business District Tax Allocation Fund to fund eligible District costs.

When District costs, including all municipal obligations financing Business District project costs incurred under Section 11-74.3-3 have been paid, any surplus funds then remaining in the Business District Tax Allocation Fund shall then by distributed to the municipal treasurer for deposit into the municipal general corporate fund.

### 7. The rate of Any Tax to be Imposed pursuant to Subsection (10) and (11) of Section 11-74.3-3 of the Act

Within the District, a rate of tax of 0.5% shall be imposed as a retailer's occupation tax and service occupation tax. Such tax shall be imposed for up to, but no more than, 23 years from the date of the Original Business District Plan adoption.

#### SECTION II-C. FINDINGS AND COMPLETION OF OBLIGATIONS

#### A. Formal Findings

The City of Highland makes the following formal findings with respect to amending the Business District A Plan:

The area to be added to the Amended Business District is contiguous and includes only parcels of real property directly and substantially benefited by the Amended Business District Plan.

The Amended Business District, in its entirety, is located within the City limits of Highland, Illinois.

The City's exercise of the powers provided in the Act is dedicated to the promotion of the public interest and to the enhancement of the tax base of the Business District, and the use of the powers for the development and redevelopment of the Business District as provided in this Amended Plan is declared to be a public use essential to the public interest of the residents of the City of Highland, Illinois.

The Amended Business District Area is a blighted area; that, by reason of defective, non-existent, or inadequate street layout, existence of conditions which threaten property by fire, and improper subdivision or obsolete platting. These factors, in combination, constitute an economic and social liability of the Amended Area in its present condition and use, and create a menace to public health, safety, or welfare.

The Amended Business District Area, on the whole, has not been subject to growth and development through investment by private enterprise or would not reasonably be anticipated to be redeveloped without the adoption of the Amended Business District Development Plan.

The Amended Business District Development Plan conforms to the Comprehensive Plan for the development of the municipality as a whole, as determined by the City Council.

#### B. Completion of Business District Projects / Retirement of Obligations

Upon payment of all Business District project costs and retirement of outstanding obligations, but in no event more than 23 years after the date of adoption of the ordinance approving the Original Business District Plan, the municipality shall adopt an ordinance immediately rescinding the taxes imposed pursuant to subsections of (10) and (11) of Section 11-74.3-3.

#### SECTION I. INTRODUCTION

Municipalities are authorized to create Business Districts by the Illinois Municipal Code, specifically in 65 ILCS 5/11-74.3 et seq. (the "Act"). The Act sets forth the requirements and procedures for establishing a Business District and a Business District Plan. The purposes of this Plan are to provide a document that demonstrates that the Business District (as defined below) is blighted, provide actions and activities to eradicate the blighting conditions found in this portion of the City, and assist in the development of the Business District. This Plan also identifies those activities, sources of funds, procedures, and other necessary requirements needed to implement the Plan, and use the sales tax and hotel taxes if any, raised within the District to pay for certain eligible District costs. The City of Highland (the "City") desires to encourage investment and development throughout the City and within the Business District Area (the "Area"). The Comprehensive Plan for the municipality as whole states that the City utilize a variety of economic development tools to assist with the City's economic development goals and objectives. Some of these goals include:

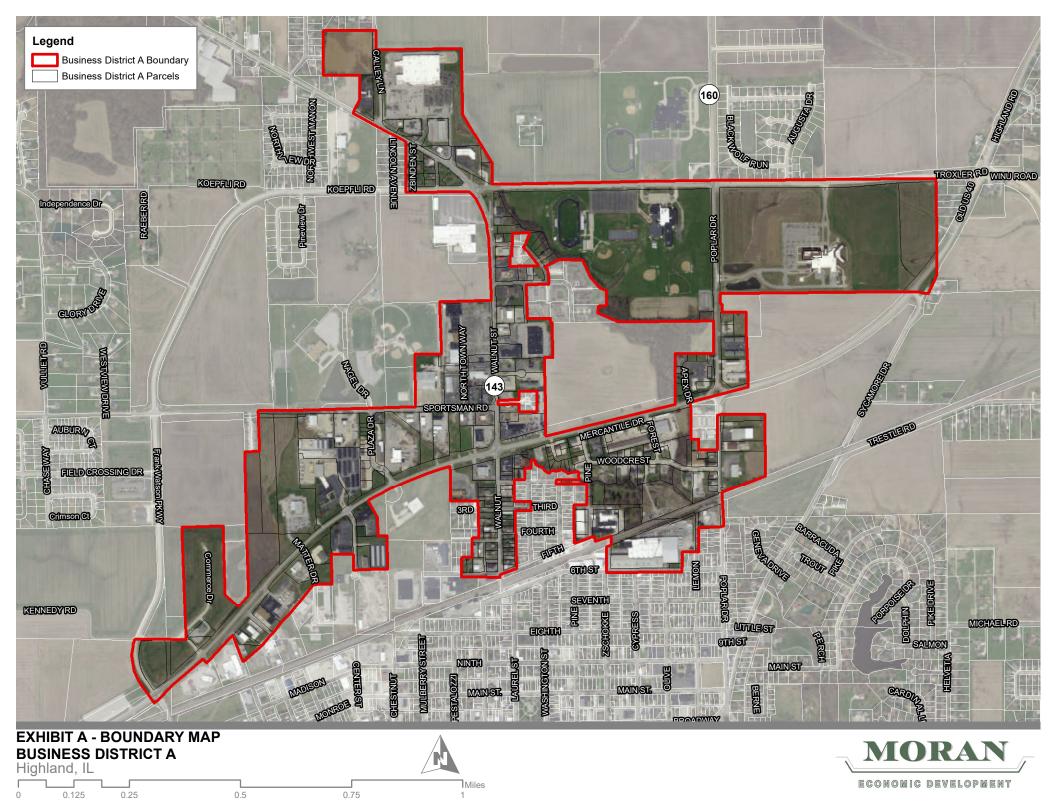

- Preserving the City's small town atmosphere while maintaining the current level of public services, quality of the City's schools, family-friendly activities, parks, recreational programs and seasonal events;
- Protecting the quality of life in Highland by maintaining high standards of living and working conditions including public safety enhancements;
- Promote existing Highland businesses and recruit key industries to the City's commercial and industrial areas;
- Commercial redevelopment focused along the City's existing commercial corridors and commercial districts:

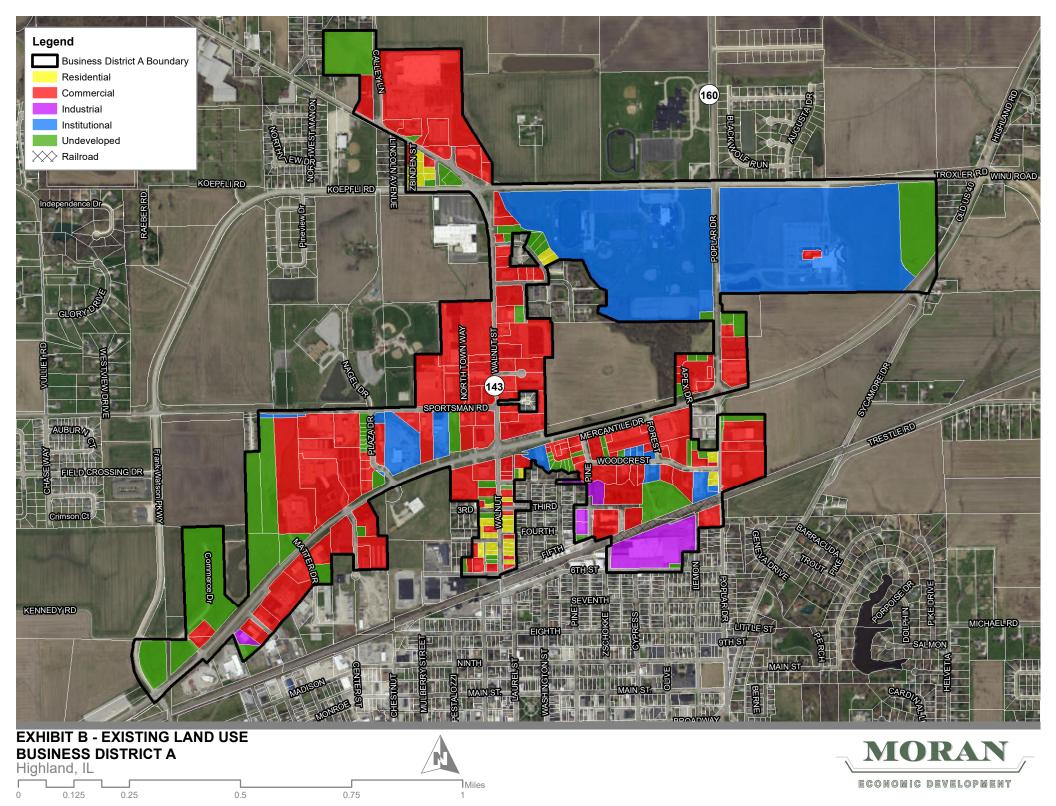

A variety of quality of life improvements throughout the Area are needed to achieve the above mentioned goals, particularly in the form of a new public safety building and a host of infrastructure improvements. Additionally the City desires to enhance the US-40 corridor, the IL-143 corridor, and the corridor leading to the older downtown portion of the City. In order to achieve these goals the City has desired to establish a Business District Redevelopment Plan and Project.

The proposed Business District A (the "District") encompasses 250 parcels of property and rights-of-way in the City. Generally, the Proposed Business District Area (the "Area") includes the commercial district of the City along IL-143 and US-40. Parcels adjacent to the intersection of Cally Lane and IL-143 make up the northernmost portion of the boundary, and the Area continues south to take in parcels adjacent to IL-143. At Troxler Avenue the Area extends east to IL-160, and takes in adjacent parcels. The Area takes in properties along IL-143 at the intersection with US-40, and extends south to the railroad tracks. East of this area the properties adjacent to Woodcrest Drive are taken in, which make up the southeastern portion of the boundary. At US-40 the Area continues west-southwest and takes in adjacent properties until reaching Frank Watson Parkway, which makes up the southwestern portion of the boundary. The boundary map for the Area is attached as Exhibit A, with the existing land use map as Exhibit B. The Area is legally described in Appendix A.

The Blight Analysis for the Area was presented to the City Council on August 21, 2017. The Blight Analysis outlined the qualifying factors found in the Area, and this information is referenced within this Business District Plan (the "Plan").

### SECTION II. STATUTORY BASIS FOR BUSINESS DISTRICT DEVELOPMENT AND REDEVELOPMENT

Business Districts are authorized by the Illinois Municipal Code, specifically in 65 ILCS 5/11-74.3 "the Act". The Act finds and declares that:

- It is essential to the economic and social welfare of each municipality that business districts be developed, redeveloped, improved, maintained and revitalized, that jobs and opportunity for employment be created within the municipality, and that, if blighting conditions are present, blighting conditions be eradicated by assuring opportunities for development, or redevelopment, encouraging private investment, and attracting sound and stable business and commercial growth;
- It is further found and determined that as a result of economic conditions unfavorable to the creation, development, improvement, maintenance, and redevelopment of certain business and commercial areas within municipalities opportunities for private investment and sound and stable commercial growth have been and will continue to be negatively impacted and business and commercial areas within many municipalities have deteriorated and will continue to deteriorate, thereby causing a serious menace to the health, safety, morals, and general welfare of the people of the entire State, unemployment, a decline in tax revenues, excessive and disproportionate expenditure of public funds, inadequate public and private investment, the unmarketability of property, and the growth of delinquencies of crime.
- In order to reduce threats to and to promote and protect the health, safety, morals, and welfare of the public and to provide incentives which will create employment and job opportunities, will retain commercial businesses in the State and related job opportunities and will eradicate blighting conditions if blighting conditions are present, and for the relief of unemployment and the maintenance of existing levels of employment, it is essential that plans for business districts be created and implemented and that business districts be created, developed, improved, maintained, and redeveloped.
- The creation, development, improvement, maintenance, and redevelopment of business districts will stimulate economic activity in the State, create and maintain jobs, increase tax revenues, encourage the creation of new and lasting infrastructure, other improvements, and facilities, and cause the attraction and retention of businesses and commercial enterprises which generate economic activity and services and increase the general tax base, including, but not limited to, increased retail sales, hotel or restaurant sales, manufacturing sales, or entertainment industry sales, thereby increasing employment and economic growth.
- It is hereby declared to be the policy of the State, in the interest of promoting the health, safety, morals, and general welfare of all the people of the State, to provide incentives which will create new job opportunities and retain existing commercial businesses within the State and related job opportunities, and it is further determined and declared that the relief of conditions of unemployment, the maintenance of existing levels of employment, the creation of new job opportunities, the retention of existing commercial businesses, the increase of industry and commerce within the State, the reduction of the evils attendant upon unemployment, and the increase and maintenance of the tax base of the

State and its political subdivisions are public purposes and for the public safety, benefit, and welfare of the residents of this State.

- The exercise of the powers provided in this Law is dedicated to the promotion of the public interest, to the enhancement of the tax base within business districts, municipalities, and the State and its political subdivisions, the creation of employment, and the eradication of blight, if present within the business district, and the use of such powers for the creation, development, improvement, maintenance, and redevelopment of business districts of a municipality is hereby declared to be for the public safety, benefit, and welfare of the residents of the State and essential to the public interest and declared to be for public purposes.
- The Act is intended to be used by municipalities to address and eradicate problems that cause areas to qualify as "blighted", and to carry out development and redevelopment projects that serve this end.

The Act allows a municipality to accomplish development, redevelopment and rehabilitation activities on a locally-controlled basis. Development, redevelopment and rehabilitation within a designated District will maintain existing taxes from sales within the District and, thus, maintain existing tax revenues and create new tax revenues which will be used to improve the District. These tax revenues can be used to finance certain "Business District Costs" as identified within the Act.

The statute allows the corporate authorities to designate an area of the municipality as a business district after a public hearing. Powers extended to the corporate authorities in a designated business district include the following:

- To make and enter into all contracts necessary or incidental to the implementation and furtherance of a business district plan. A contract by and between the municipality and any developer or other nongovernmental person to pay or reimburse said developer or other nongovernmental person for business district project costs incurred or to be incurred by said developer or other nongovernmental person shall not be deemed an economic incentive agreement under Section 8-11-20, notwithstanding the fact that such contract provides for the sharing, rebate, or payment of retailers' occupation taxes or service occupation taxes (including, without limitation, taxes imposed pursuant to subsection (11)) the municipality receives from the development or redevelopment of properties in the business district. Contracts entered into pursuant to this subsection shall be binding upon successor corporate authorities of the municipality and any party to such contract may seek to enforce and compel performance of the contract by civil action, mandamus, injunction, or other proceeding.
- Within a business district, to acquire by purchase, donation, or lease, and to own, convey, lease, mortgage, or dispose of land and other real or personal property or rights or interests therein; and to grant or acquire licenses, easements, and options with respect thereto, all in the manner and at such price authorized by law. No conveyance, lease, mortgage, disposition of land or other property acquired by the municipality or agreement relating to the development of property, shall be made or executed except pursuant to prior official action of the municipality. No conveyance, lease, mortgage, or other disposition of land owned by the municipality, and no agreement relating to the development of property, within a business district shall be made without making public disclosure of the terms and disposition of all bids and proposals submitted to the

municipality in connection therewith. To acquire property by eminent domain in accordance with the Eminent Domain Act.

- To clear any area within a Business District Ay demolition or removal of any existing buildings, structures, fixtures, utilities, or improvements, and to clear and grade land.
- To install, repair, construct, reconstruct, or relocate public streets, public utilities, and other public site improvements within or without a business district which are essential to the preparation of a business district for use in accordance with a business district plan.
- To renovate, rehabilitate, reconstruct, relocate, repair, or remodel any existing buildings, structures, works, utilities, or fixtures within any business district.
- To construct public improvements, including but not limited to buildings, structures, works, utilities, or fixtures within any business district.
- To fix, charge, and collect fees, rents, and charges for the use of any building, facility, or property or any portion thereof owned or leased by the municipality within a business district.
- To pay or cause to be paid business district project costs. Any payments to be made by the municipality to developers or other nongovernmental persons for business district project costs incurred by such developer or other nongovernmental person shall be made only pursuant to the prior official action of the municipality evidencing an intent to pay or cause to be paid such business district project costs. A municipality is not required to obtain any right, title, or interest in any real or personal property in order to pay business district project costs associated with such property. The municipality shall adopt such accounting procedures as shall be necessary to determine that such business district project costs are properly paid.
- Utilize up to 1% of the revenue from a business district retailers' occupation tax and service occupation tax imposed under paragraph (10) and a hotel operators' occupation tax under paragraph (11) of Section 11-74.3-3 in connection with one business district for eligible costs in another business district that is: (A) contiguous to the business district from which the revenues are received; (B) separated only by a public right of way from the business district from which the revenues are received; or (C) separated only by forest preserve property from the business district from which the revenues are received if the closest boundaries of the business districts that are separated by the forest preserve property are less than one mile apart.
- To apply for and accept grants, guarantees, donations of property or labor or any other thing of value for use in connection with a business district project.
- If the municipality has by ordinance found and determined that the business district is a blighted area under this Law, to impose a retailers' occupation tax and a service occupation tax in the business district for the planning, execution, and implementation of business district plans and to pay for business district project costs as set forth in the business district plan approved by the municipality.
- If the municipality has by ordinance found and determined that the business district is a blighted area under this Law, to impose a hotel operators' occupation tax in the business

district for the planning, execution, and implementation of business district plans and to pay for the business district project costs as set forth in the business district plan approved by the municipality.

The Act specifies that before a municipality can designate a District which imposes a retailers' occupation tax and create a Plan for such a District, the municipality must find that the District is "blighted", as that term is defined in the Act.

The Act also requires that any Plan adopted by a municipality include:

- A specific description of the District boundaries and map;
- A general description of each project proposed to be undertaken within the District including a description of the approximate location of each project and a description of any developer, user, or tenant of any property to be located or improved within the proposed business district;
- The name of the proposed District;
- The estimated business district project costs;
- Anticipated source of funds to pay District project costs;
- Anticipated type and terms of any obligations to be issued; and
- The retailers' occupation tax and service occupation tax, if any, and the rate of such taxes and the period of time for which the tax shall be imposed.

#### SECTION III. BLIGHT ANALYSIS

#### A. Introduction

Municipalities are authorized to create business districts by the Illinois Municipal Code (65 ILCS 5/11-74.3 et seq. - the "Act"). The Act sets forth the requirements and procedures for establishing a business district and a business district plan. The City has deemed such action desirable in order to remedy existing conditions detrimental to existing development in this portion of the City.

The criteria and individual factors that were utilized in conducting the evaluation of the conditions in the proposed business district (the "District") are outlined on the following pages.

#### **B.** Statutory Qualifications

The definitions for qualifying the District as "blighted" are defined in the Act as follows:

"Blighted area" means an area that is a blighted area which, by reason of the predominance of defective, non-existent, or inadequate street layout, unsanitary or unsafe conditions, deterioration of site improvements, improper subdivision or obsolete platting, or the existence of conditions which endanger life or property by fire or other causes, or any combination of those factors, retards the provision of housing accommodations or constitutes an economic or social liability, an economic underutilization of the area, or a menace to the public health, safety, morals, or welfare.

#### C. Investigation and Analysis of Blighting Conditions

In determining whether or not the District meets the eligibility requirements of the Act, various methods of research and field surveys were utilized. These included:

- On-site field examination of conditions in the District by experienced staff of Moran Economic Development. These personnel are trained in techniques and procedures of determining conditions of local properties, utilities, streets, etc., and determination of eligibility of areas for business district designation.
- Research of documentation and property records made available through the Madison County Supervisor of Assessments.
- Interviews with City engineers on the existing conditions of the utilities and infrastructure in the Area.
- Review of the findings and determinations established by the Act in creating business districts. These findings include:
  - That it may be considered essential to the economic or social welfare of the municipality that business districts be maintained and revitalized by assuring opportunities for development or redevelopment and attracting sound and stable business and commercial growth.
  - That such a result should conform to the comprehensive plan of the municipality and a specific plan for business districts officially approved by the corporate authorities of the municipality after the public hearing.

• That the exercise of the powers provided in Section 11-74.3-1 (of the Act) is dedicated to the promotion of the public interest and to the enhancement of the tax base of business districts, and the use of such powers for the development and redevelopment of business districts of a municipality is hereby declared to be a public use essential to the public interest.

The Act specifies that certain requirements must be met before a municipality can proceed with implementing business district development and redevelopment projects and imposing the retailers' occupation tax, service occupation tax, and hotel operators' occupation tax. One of these is that the municipality must demonstrate that the District qualifies as eligible for business district designation.

#### D. The Proposed District

The proposed Business District A (the "District") encompasses 250 parcels of property and rights-of-way in the City. Generally, the Proposed Business District Area (the "Area") includes the commercial district of the City along IL-143 and US-40. Parcels adjacent to the intersection of Cally Lane and IL-143 make up the northernmost portion of the boundary, and the Area continues south to take in parcels adjacent to IL-143. At Troxler Avenue the Area extends east to IL-160, and takes in adjacent parcels. The Area takes in properties along IL-143 at the intersection with US-40, and extends south to the railroad tracks. East of this area the properties adjacent to Woodcrest Drive are taken in, which make up the southeastern portion of the boundary. At US-40 the Area continues west-southwest and takes in adjacent properties until reaching Frank Watson Parkway, which makes up the southwestern portion of the boundary.

#### E. Review of Findings & Qualifications of the District

In order to impose the retailers' occupation tax and service occupation tax, the corporate authorities of the municipality shall make a formal finding that the Area is a "Blighted Area", as defined in Section III-B. The following is a review of the findings:

#### Deterioration of Site Improvements

The majority of the Area exhibits deteriorated site improvements in some form, which can be classified as either structural or surface improvements. Approximately 63% of the 233 structures in the Area show some sort of notable defects in the structural components, which were common in foundations, exterior walls, roofs, doors, windows, gutters, downspouts, siding, and other fascia materials.

Additionally 60% of the parcels exhibit deteriorated surface improvements. Common forms of this type of deterioration found were cracking sidewalks, unkempt gravel areas, cracked and deteriorated roadway surfacing, potholes, crumbling asphalt, and grass or weed growth in some of the surface improvements. In other portions of the proposed district parking lots, entry ways, alleyways, and driveways lack proper pavement and exhibit clear signs of deterioration.

Other site improvements exhibiting deteriorated conditions were noted in the utilities which serve the properties. The water infrastructure serving the primary commercial corridor in the City, along IL-143, has aged and deteriorated water lines and mains. It is estimated that these are between 60-80 years old and susceptible to breakages. Due to the lack of valves on the line the problem cannot be adequately isolated when breakages do occur, which compounds the issue as the effect on the businesses

becomes widespread. This problem could potentially contribute to the existence of conditions which endanger life or property by fire, an eligibility factor discussed below.

#### • Existence of Conditions Which Threaten Property by Fire

The issues noted with the deteriorated utilities in the Area could potentially contribute to the limitation of fire suppression efforts. Having a primary water main in the Area, which is along IL-143, that is aged and in need of replacement is a potential liability to the properties it serves. Additionally this line lacks the requisite number of valves which allow for the isolation of the problem should any breakages occur. However unlikely, should the main experience a breakage at time when fire suppression efforts were needed at any point along that stretch of IL-143 then the spread of fire could pose a significant threat to the properties in the Area.

#### • Improper Subdivision or Obsolete Platting

Improper subdivision is the platting of land in irregular shapes or sizes, resulting in parcels that are difficult to develop to their highest and best use. These difficulties can arise from the property's incompatibility with modern development guidelines or even the City's subdivision code. Numerous properties in the Area exhibit this factor, with property lines that are not congruous with development friendly guidelines. These parcels will need some sort of intervention, either through splits or combinations, in order to be developed properly. Other examples of this factor include parcels that are simply impossible to develop due to the limitations of their dimensions. These types of issues can create significant barriers to development, both in terms of undeveloped properties not conforming to modern developmental guidelines for new development, and in the expansion of existing development being limited due to the deleterious layout of the land.

The Area, by reason of a predominance of deterioration of site improvements, existence of conditions which threaten property by fire, and improper subdivision or obsolete platting constitutes an economic and social liability to the City. Additionally, the combination of these blighting factors contributes to the economic underutilization of the Area. Finally, a menace to the public health, safety, morals, or welfare is present because of the existing conditions in the Area.

Deterioration of any kind in an area can serve as a deterrent to prospective developers or patrons. Additionally, these conditions contribute to declining property values, which are prevalent throughout the Area. Further, the obsolete platting of some of the properties severely limits the development capabilities of some of the property in the Area. While the District as a whole has seen net positive growth, this growth is largely attributed to the new hospital properties. Without these two parcels the District the remaining parcels would have combined for a net loss since 2011. Of the 250 parcels in the Area, 224 (90%) experienced a loss in total value from 2011 to 2016, as shown in Exhibit C. These parcels combined for over \$1.7M in EAV loss during this time period, and as such illustrate how the Area is an economic liability to the City.

The social liability can be assessed in terms of the loss of property tax revenues which provide for essential services to City residents, particularly police, fire, and emergency services. The Highland Police, Fire, and EMS departments are facing financial challenges and require additional support to maintain current levels of service going forward. The aforementioned property value losses for the majority of the parcels in the Area equates to lost tax revenues

which are used to fund essential services for the public. As such, the District poses as a social liability to the City.

The Area also is economically underutilized. The blighting factors which exist in the Area impede the development of what should be the City's economic growth corridors. The main thoroughfares in the District are some of the most trafficked in the City, with an average annual daily traffic (AADT) count of 8,200 at Troxler Avenue, 11,000 along IL-143, and 8,750 on US-40. Yet nearly all of the parcels have declined in value since 2011, unable to fully capitalize on the high visibility of the region. As such, the Area is economically underutilized.

The blighting conditions in the Area, in combination, create a menace to the public health, safety, and welfare. This is largely represented by the social liability discussed prior, as the predominance of parcels losing value creates a liability to those services funded by the associated tax revenues. When the services are police, fire, and EMS, then there are conditions present which create a menace to public health, safety, and welfare.

#### F. Qualification Summary & Findings

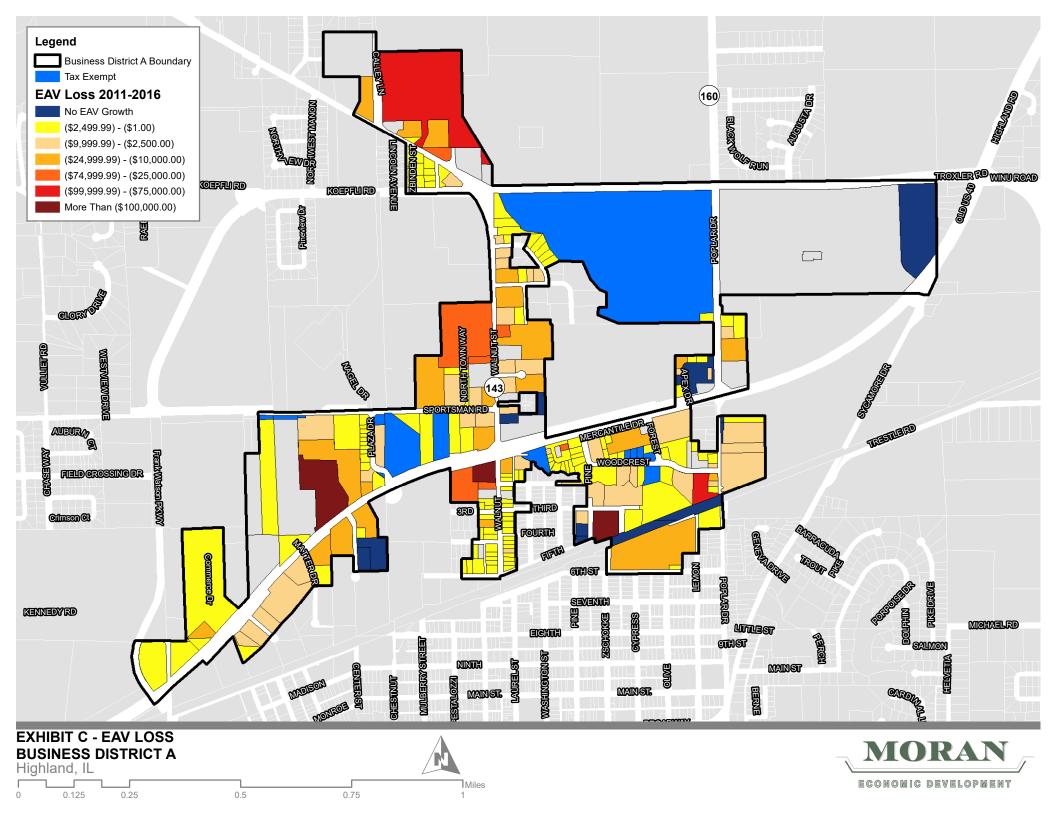

The District is found to be eligible as "blighted" due to the presence conditions representative of those outlined in the Act. These include:

- Deterioration of Site Improvements
- Existence of Conditions Which Threaten Property by Fire
- Improper Subdivision or Obsolete Platting

The above factors, in combination, contribute to the Proposed District Area being an economic and social liability to the City, an economic underutilization of the Area, and the Area being a menace to public health, safety, or welfare. Additional findings for the Proposed Business District Area include:

- The Proposed Business District, on the whole, has not been subject to growth and development through private enterprise.
  - Nearly all (90%) of the parcels in the Area have had negative EAV growth rates since 2011.
- The Proposed Business District would not reasonably be anticipated to be developed or redeveloped without the adoption of the Business District Development or Redevelopment Plan.
  - It cannot reasonably be anticipated that without the adoption of the Business District the properties in the Area would be redeveloped, nor could the blighting conditions be remediated, which is a barrier to development.
- The Business District Development Plan conforms to the Comprehensive Plan for the development of the municipality as a whole.

#### SECTION IV. BUSINESS DISTRICT REDEVELOPMENT PLAN

The City of Highland, Illinois is considering the approval of the Business District A Plan in order to provide an important tool for the remediation of blighting conditions present in the City. In looking to achieve this end, the City will seek to adhere to certain objectives and policies.

#### A. Objectives

The objectives of the Plan are to:

- Strengthen and grow the City's property and sales tax base, and increase the number of jobs within the City, through the expansion of economic activity within Highland.
- Provide the highest level of emergency medical care and public safety to the community.
- Continue to make Highland a "Healthy Community"
- Establish Highland as a destination for regional-scale retailing.
- Retain small businesses throughout the community.
- Explore ways to attract tenants to existing buildings.
- Achieve better design and aesthetics in retail and commercial areas throughout the Business District, including these areas' private and public structures, landscaping and signage.
- Improve the local roadway system to enable residents to easily patronize the City's shopping areas.
- Identify, meet and maintain the City's infrastructure needs.
- Upgrade the utilities throughout the Area, including the water distribution system and sanitary sewer system.
- Ensure the City's ability to provide adequate and safe collection and treatment of storm water and sanitary waste in the future.
- Promote continued investment in the City's infrastructure and services (water, sewer, electric, public safety, internet and telecommunications) to ensure quality, affordable utilities to serve Highland's present and future needs. Incremental upgrades to the city's aging infrastructure and public works are recommended to avoid costly one-time expenditures and allow the city to spread the costs out over several years.
- Ameliorate the blighting conditions within the District.
- Enhance the sales tax base of the District.
- Enhance the property tax base of the District.

#### B. Policies

The City of Highland will follow certain policies to achieve the objectives outlined above.

These policies include:

- Use Business District-derived revenues to implement the Plan.
- Utilize City staff and consultants to undertake those actions necessary to accomplish the specific public-side actions and activities outlined in the Business District Plan.
- Provide financial assistance, as permitted by the Act, to complete those certain private actions and activities as outlined in the Business District Plan.
- Use Business District-derived revenues to support new development.
- Use Business District-derived revenues to carry out public infrastructure improvements.
- Utilize the powers extended to the corporate authorities in a designated District.

These objectives and policies may be amended from time to time as determined by the City.

#### C. Components of the Business District Plan

#### 1. Boundary Delineation

A number of factors were taken into consideration in establishing the boundary of the District. Established planning guidelines and standards have been followed in delineating the boundary and preparing the Plan.

Field investigators employed by Moran Economic Development conducted research of the area and environs in order to ascertain the existence and prevalence of blighting factors. Moran Economic Development was assisted by information from Madison County and the City of Highland. Based upon these investigations, the eligibility requirements for establishing and enabling taxes, the determination of redevelopment needs within the City, and the location of the blighting factors found, the boundaries of the District were determined.

The proposed Business District A (the "District") encompasses 250 parcels of property and rights-of-way in the City. Generally, the Proposed Business District Area (the "Area") includes the commercial district of the City along IL-143 and US-40. Parcels adjacent to the intersection of Cally Lane and IL-143 make up the northernmost portion of the boundary, and the Area continues south to take in parcels adjacent to IL-143. At Troxler Avenue the Area extends east to IL-160, and takes in adjacent parcels. The Area takes in properties along IL-143 at the intersection with US-40, and extends south to the railroad tracks. East of this area the properties adjacent to Woodcrest Drive are taken in, which make up the southeastern portion of the boundary. At US-40 the Area continues west-southwest and takes in adjacent properties until reaching Frank Watson Parkway, which makes up the southwestern portion of the boundary.

#### 2. The Development Project

The development goals of the City of Highland for Business District A envision a program resulting in the redevelopment of the primary commercial corridor in the City,

through repair and rehabilitation of the existing improvements and construction of new improvements. The satisfaction of these needs will increase the sales and property tax revenues generated in the Area for the City, as well as provide a revenue source for the City to make necessary infrastructure improvements throughout the Area. These goals will be accomplished through both public and private projects to encourage commercial growth in the District. These projects will be undertaken by a range of stakeholders, from developers and property owners in the Area to the City itself. The Plan is to be adopted without specific designation of the developers for these projects as they will be executed in phases throughout the life of the Business District. Projects may include multiple developers on a larger scale site development, individual property owners making building or site improvements on a smaller scale, or improvement projects initiated by the City. Thus, no specific users or tenants are presently identified; rather, as Developers are attracted to redevelop the Area, these will be considered by the City.

#### **Key Projects for the Plan include:**

- Construction of a new public safety facility which will serve this area and others;
- Fire and EMS Capital Costs as determined by the City;
- Upgrade of utilities to include water, sanitary and storm sewer drainage improvements; replacement of water lines, and other sewer and water system components; improvement to water treatment plant; potential construction of a retention pond to alleviate flooding issues; specifically water main replacement along IL Route 143.
- Infrastructure improvements, including the development of the interior and exterior street networks within the area;
- Utility trunk lines (e.g. water, sanitary sewer, telephone, etc.) constructed in road right-of-way or other public easements;
- Further implementation of a Business Recruitment & Business Retention Program.
- Marketing the City of Highland to outside investors;
- The development of additional commercial or retail stores within the District;
- Construction and reconstruction of sidewalks throughout the Area;
- The facilitation of private investment within the District; and
- Other activities or costs permitted under the Act.

The City intends to provide limited economic development assistance through the funding of certain development costs to be incurred by a developer(s) for these Projects under the terms and conditions of separate development agreements, as guided by the policies of this Plan. Economic development assistance shall include expenditures for public improvements and extraordinary project costs. These costs for the Projects are estimated in Table A on the following page.

Table A should not be construed to limit the ability of the City to enter into development agreements, which provide for other costs, additional costs, or a different distribution of these costs among the various line items. Specific limitations on such cost items and any distribution between them will be specified in development agreements by and between the City and any developer(s).

#### 3. Name of Business District

The name of the District is Business District A.

#### 4. Estimated Business District Project Costs

The cost estimate associated with development activities to be funded from available revenues of the City (the "Pledged Revenues") as discussed below, is presented in Table A - Estimated Business District Project Costs. The estimate includes reasonable and necessary costs incurred, or estimated to be incurred, during the implementation of the Business District Plan. The estimated costs in Table A are subject to refinement as specific plans and designs are finalized and experience is gained in implementing the Plan and do not include financing costs and the retail sales tax which will be applied to pay the portion of such costs which are eligible to be funded under the Act. As such, debt service and expenses associated with issuance bonds, or other obligations, are in addition to costs stated in Table A. It should also be noted that the Estimated Business District Project Costs listed below are likely to be more than might be extended to a developer through any formal agreement between a developer and the City.

TABLE A - ESTIMATED BUSINESS DISTRICT PROJECT COSTS

DESCRIPTION	ESTIMATED COSTS
Costs of studies, surveys development of plans, and specifications, implementation and administration of the district including but not limited to staff and professional service costs for architectural, engineering, legal, financial, planning and other services;	\$1,000,000
Property assembly costs, including but not limited to acquisition of land and other real or personal property;	\$1,000,000
Site preparation costs, including but not limited to clearance, demolition or removal of any existing buildings, structures, fixtures, utilities, and improvements and clearing and grading of land;	\$2,000,000
Costs of installation, repair, construction, reconstruction, extension, or relocation of public streets, public utilities, and other public site improvements within or without the business district which are essential to the preparation of the business district for use in accordance with the business district plan, and specifically including payments to developers or other nongovernmental persons as reimbursement for site preparation costs incurred by the developer or nongovernmental person;	\$3,000,000
Costs of renovation, rehabilitation, reconstruction, relocation, repair, or remodeling of any existing buildings, improvements, and fixtures within the business district, and specifically including payments to developers or other nongovernmental persons as reimbursement for costs incurred by those developers or nongovernmental persons;	\$1,000,000
Costs of installation or construction within the business district of buildings including a public safety building, structures, works, streets, improvements, equipment, utilities, or fixtures	\$10,000,000
General financing costs including but not limited to all necessary and incidental expenses related to the issuance of obligations including payment of interest on obligations;	\$1,000,000
TOTAL ESTIMATED BUDGET	\$19,900,000

Expenditures in individual categories may differ from those shown above; however, the total amount of the Estimated Redevelopment Project Costs will not exceed \$19,900,000 plus any additional interest and financing costs as may be required. Adjustments may be made among budget categories to reflect implementation of the Plan.

#### 5. Anticipated Source of Funds to Pay Business District Project Costs

The anticipated source of funds to pay District project costs are those tax revenues raised by the retailers' occupation tax to be imposed by the Business District (the "Business District Tax") which will be applied to pay eligible costs under the Act. In addition, the District's costs and obligations may be paid for, in whole or in part, by revenues from other funding sources. These may include state and federal programs, municipal sales tax revenue and tax increment financing revenues in those portions of the Business District which overlap with the Business District A Redevelopment Area (collectively, the "Pledged Revenues").

#### 6. Anticipated Type and Terms of Any Obligations to be issued

In order to expedite the implementation of the Business District Plan, The City of Highland, pursuant to the authority granted to it under the Act, may issue obligations to pay for the Business District Costs. These obligations may be secured by future amounts to be collected and allocated to the Business District Tax Allocation Fund. Such obligations may take the form of any loan instruments authorized by the Act. Such loans or obligations may be issued pursuant to the Business District Plan. The City anticipates that notes, bonds, or similar obligations may be issued secured by revenues in the Business District Tax Allocation Fund to fund eligible District costs.

When District costs, including all municipal obligations financing Business District project costs incurred under Section 11-74.3-3 have been paid, any surplus funds then remaining in the Business District Tax Allocation Fund shall then by distributed to the municipal treasurer for deposit into the municipal general corporate fund.

### 7. The rate of Any Tax to be Imposed pursuant to Subsection (10) and (11) of Section 11-74.3-3 of the Act

Within the District, a rate of tax of 0.5% shall be imposed as a retailer's occupation tax and service occupation tax. Such tax shall be imposed for up to, but no more than, 23 years.

#### SECTION V. FINDINGS AND COMPLETION OF OBLIGATIONS

#### A. Formal Findings

The City of Highland makes the following formal findings with respect to establishing the Business District A Plan:

The area to be designated as a Business District is contiguous and includes only parcels of real property directly and substantially benefited by the Business District Plan.

The Business District, in its entirety, is located within the City limits of Highland, Illinois.

The City's exercise of the powers provided in the Act is dedicated to the promotion of the public interest and to the enhancement of the tax base of the Business District, and the use of the powers for the development and redevelopment of the Business District as provided in this Plan is declared to be a public use essential to the public interest of the residents of the City of Highland, Illinois.

The Business District is a blighted area; that, by reason of defective, non-existent, or inadequate street layout, the existence of conditions which threaten property by fire, and improper subdivision or obsolete platting. These factors, in combination, constitute an economic and social liability of the Area in its present condition and use; contribute to the economic underutilization of the Area; and create a menace to public health, safety, or welfare.

The Business District, on the whole, has not been subject to growth and development through investment by private enterprise or would not reasonably be anticipated to be redeveloped without the adoption of the Business District Development Plan.

The Business District Development Plan conforms to the Comprehensive Plan for the development of the municipality as a whole, as determined by the City Council.

#### B. Completion of Business District Projects / Retirement of Obligations

Upon payment of all Business District project costs and retirement of outstanding obligations, but in no event more than 23 years after the date of adoption of the ordinance approving the Business District A Plan, the municipality shall adopt an ordinance immediately rescinding the taxes imposed pursuant to subsections of (10) and (11) of Section 11-74.3-3.

## **APPENDIX A**LEGAL DESCRIPTION

(This page intentionally left blank.)

#### APPENDIX A - LEGAL DESCRIPTION

Beginning at the southwest corner of Fifth Street and Walnut Street:

Proceed west along Fifth Street to the west line of 713 Fifth Street (Tax Parcel ID No. 02-2-18-32-18-301-018). Proceed north along said west line until reaching the north line of said lot and turn east and proceed until reaching the west line of 710 Fourth Street (Tax Parcel ID No. 02-2-18-32-18-301-014). Turn north and follow said west line until reaching Fourth Street. Go east to the west line of 318 Fourth Street (Tax Parcel ID No. 02-2-18-32-18-301-028). Turn north along said west line and the northerly prolongation thereof to following a straight line proceeding north until reaching the south line of Hi Top Bowl property (Tax Parcel ID No. 02-2-18-32-14-301-010). Follow said south line west until reaching the west line of said property. Proceed north along said west line to US Highway 40. Proceed westerly along US Highway 40 to the east line of the Trouw Nutrition main office at 115 Executive Drive (Tax Parcel ID No. 02-2-18-32-00-000-034). Follow said east line south until reaching the north line of the Korte-Luitjohan mini storage facility (Tax Parcel ID No. 02-2-18-32-00-000-039) and continue east along said north line until reaching the east line of said parcel. Proceed south along said east line until reaching the south line of said parcel and go west along said south line and the westerly prolongation thereof to Executive Drive. Follow Executive Drive north until reaching the north property line of the parcel at 80 Executive Drive (Tax Parcel ID No. 02-2-18-32-00-000-031). Go west along said north line to the west line of said parcel. Go south along said west line to the north property line of the parcel at 145 Matter Drive (Tax Parcel ID No. 02-2-18-32-00000-027). Follow the north line west across Matter Drive. Proceed southwesterly along the northwesterly line of 140 Matter Drive (Tax Parcel ID No. 02-2-18-32-00-000-028). Continue southwesterly along the northwesterly line of 200 Plaza Street (Tax Parcel ID Nos. 02-2-18-31-00-000-018.003 & 01-2-24-06-08-202-003) to the east line of 1 Ultraway Drive (Tax Parcel ID No. 01-2-24-06-08-202-004). Proceed north along said east line to US Highway 40. Go west along US Highway 40 to Frank Watson Parkway. Go northerly along Frank Watson Parkway until you reach Commerce Drive. Go easterly along Commerce Drive until you reach the west line of Retko Group LLC parcel (Tax Parcel ID No. 02-1-18-32-00-000-018) (15.42 acre). Proceed north along said west line, east along the north line of said Retko Group LLC parcel, and south along the east line of said Retko Group LLC parcel to US Highway 40. Go northeasterly along US Highway 40 to the west line of two tracts of land owned in trust by Bonnie McGinley (Tax Parcel ID No. 02-1-18-31-00-000-018.001 & 012) (5.18 & 3.5 acre, respectively). Go north along said west line to the south line of Crown Pointe apartments (Tax Parcel ID No. 02-1-18-31-00-000-011 & 011.001), thence east along said south line to the east line of said parcel and then north along said east line to Sportsman Road. Proceed east along Sportsman Road to west line of Rural King (Tax Parcel ID No. 02-1-18-32-00-000-021.006). # FAÇADE IMPROVEMENT PROGRAM AGREEMENT BUSINESS DISTRICT A

This Façade Improvement Program Agreement ("Agreement") is entered into on the date and by execution shown hereafter, by and between the City of Highland, an Illinois Municipal Corporation ("City") and ("Developer"). City and Developer may be referred to individually as "Party" and together as "Parties." This Agreement shall be effective when signed by both Parties, and approved by the corporate authorities of the City of Highland, Illinois (the "Effective Date"):
PREAMBLES
WHEREAS, City is an Illinois municipal corporation pursuant to the laws and constitution of the State of Illinois with general powers as a unit of local government within its corporate limits; and
WHEREAS, Developer is the owner ofin Highland, Illinois ("Property"), which is located in City Business District A; and
<b>WHERAS,</b> Developer has submitted a "Façade Improvement Program Application" ( $See$ <b>Exhibit A</b> ); and
WHEREAS, City wishes to encourage Developer to make improvements and repairs to the exterior facade of Developer's commercial building in City Business District A, and assist Developer with costs, including:
1 2
Total Estimated Project Costs: \$
("Project"); and
WHEREAS, because the Property is located in City Business District A, the Project is eligible for reimbursement of certain expenditures related to repair and improvement of the

exterior façade at the Property; and

WHEREAS, to ensure the Project is constructed in a manner consistent with City's applicable ordinances and regulations, City and Developer deem it in their mutual interest to enter into an agreement with regard to any conditions or other factors affecting the health, safety, general welfare, and economic welfare of City residents and users of the Property; and

**WHEREAS,** the Project at the Property will help to eradicate blight, enhance property values, improve aesthetics, and otherwise benefit and protect the health, safety, general welfare, and economic welfare of City residents, including, but not limited to, anyone utilizing the Property; and

**WHEREAS,** City has determined the Project is consistent with the objectives of the City's Business District A Plan, and it is in the best interest of City to promote repair, improvement, renovation, addition, rehabilitation and expansion of the Property through the use of the Façade Improvement Program and Business District A funds.

**NOW, THEREFORE,** in consideration of the premises and agreements set forth below, the Parties, for and in consideration of the representations relative to the proposed improvements to the Property by the Developer, hereby agree as follows:

**Section 1. Incorporation of Recitals.** The Parties agree that all of the recitals contained in the Preambles to this Agreement are true and correct, and said recitals are hereby incorporated into the Agreement as though they were fully set forth in this Section 1.

Section 2. Obligations of the Developer. Upon the approval by City of the Agreement, Developer shall proceed with the Project as described above, and construction of the exterior façade improvements shall commence within ninety (90) days. The Project shall be substantially complete within twelve (12) months of the date of approval by City of this Agreement. Any extension of time permitted for Developer to substantially complete the Project pursuant to the Agreement shall be agreed to in writing by both parties. Specifically, Developer agrees as follows:

- 1. Developer will complete the Project in accordance with this Agreement, and the Façade Improvement Program plans shall be submitted to City for review. This includes any renovations which may be needed for exterior construction and improvements.
- 2. Developer will obtain any and all building and zoning permits in association with the Project, including permits for construction, repair, demolition, and/or renovation on the Property, consistent with the City's most recently adopted Building Code requirements.
- 3. City shall be entitled to a comprehensive inspection of the Property for the purpose of identifying potential fire, safety, electric, plumbing, and general building safety concerns to ensure the health, safety and welfare of the general public.

- 4. Developer is fully responsible for identifying and mitigating any building-related concerns identified by City.
- 5. Developer understands and agrees all City Zoning Ordinances, Land Development Codes, Landscape and Screening Codes, Building Code requirements and other City ordinances shall remain in full force and effect.
- 6. Developer shall submit to the City Clerk a written statement in the form attached to this Agreement as **Exhibit B** ("Form of Request for Reimbursement") setting forth the amount of cost incurred by the Developer to complete the Project. Each Request shall be accompanied by such bills, invoices, lien waivers or other evidence City may require for documenting Developer's costs incurred for the Project. Developer may continue to provide Requests until all Project costs have been incurred and the Project is completed. City reserves the right to request any information from Developer deemed necessary by City to verify any information associated with this Agreement.
- 7. Developer understands the Prevailing Wage Act of the State of Illinois and judicial interpretation thereof, requires that recipients of municipal grants pay laborers, mechanics and other workers the general prevailing rate of hourly wages for work performed on projects financed by municipalities (*See* 820 ILCS 130, Prevailing Wage Act).
- 8. Developer states that he/she shall pay laborers, mechanics and other workers who performed work on the Project pursuant to the Prevailing Wage Act of the State of Illinois and according to the most recent Madison County Prevailing Wages.

**Section 3. Obligations of the City.** The City agrees to provide assistance to the Developer under the Façade Improvement Program as follows:

- 1. The Façade Improvement Program will provide up to 25% of the documented cost to improve the exterior façade of eligible commercial buildings in Business District A.
- 2. The maximum payment under the Façade Improvement Program, regardless of the total cost to improve the exterior façade of eligible commercial buildings in Business District A, shall not exceed \$10,000.00.
- 3. To be eligible for payment under the Façade Improvement Plan, the minimum total cost to improve the exterior façade of eligible commercial buildings in Business District A shall be \$10,000.00.

- 4. City shall allocate \$50,000.00 from Business District A sales tax proceeds for the Façade Improvement Program, with said proceeds to paid out from May 1 to April 30 of any given year where the Façade Improvement Plan has been approved by City.
- 5. City shall award Façade Improvement Program incentives according to the order in which the applications were accepted by City as approved.
- 6. City shall not award incentives under the Façade Improvement Program in an amount to exceed \$50,000 in any given year; the cap for Façade Improvement Program incentives shall be \$50,000 for each year the Program has been authorized by City.
- 7. The Façade Improvement Program shall include total approved costs incurred by commercial building owners, whether incurred personally or paid to third-party independent contractors, for improvements and repairs to the exterior facades of commercial buildings in Business District A.
- 8. Reimbursement of approved Project costs may be made within 45 days of passing inspection and receipt verification, but City shall not be obligated to make any payment according to any deadline.

CITY'S OBLIGATION TO REIMBURSE DEVELOPER UNDER THIS AGREEMENT IS A LIMITED OBLIGATION PAYABLE SOLELY FROM THE CITY'S PORTION OF THE TAXES GENERATED BY BUSINESS DISTRICT A AND DEPOSITED IN CITY'S FUNDS FROM TIME TO TIME AND SHALL NOT BE A GENERAL OBLIGATION OF CITY OR SECURED BY THE FULL FAITH AND CREDIT OF CITY.

Section 4. Indemnification. Developer shall indemnify and hold harmless City, its agents, officers, lawyers, and employees against all injuries, deaths, losses, damages, claims, suits, liabilities, judgments, costs and expenses (including any liabilities, judgments, costs and expenses and attorneys' fees) which may arise directly or indirectly from: (i) the failure of Developer or any contractor, subcontractor or agent or employee thereof to timely pay any contractor, subcontractor, laborer or material man; (ii) any default or breach of the terms of this Agreement by Developer; (iii) any negligence, or reckless or willful misconduct of Developer or any contractor, subcontractor or agent or employee thereof working on the Project; (iv) any claim brought against City arising in any way from this Agreement or the Project. Developer shall, at its own cost and expense, appear, defend and pay all charges of attorneys, costs and other expenses arising therefrom or incurred in connection therewith. If any judgment shall be rendered against City, its agents, officers, officials, lawyers, or employees in any such action, Developer shall, at its expense, satisfy and discharge the same.

In no way limiting the foregoing, Developer shall also indemnify and hold harmless City, its agents, officers and employees against all damages, claims, suits, liabilities, judgments, fines, penalties, costs and expenses (including attorneys' fees) which may arise directly or indirectly

from any violation of the Illinois Prevailing wage Act, 820 ILCS 130/0.01 et. seq., in connection with the Project.

Section 5. Default and Remedies. Except as otherwise provided in this Agreement, in the event of any default in or breach of any term or conditions of this Agreement by either party or any successor or assign, the defaulting or breaching party (or successor or assign) shall, upon written notice from the other party, proceed immediately to cure or remedy such default or breach as follows: (a) in the event of a nonmonetary default, within thirty (30) days after receipt of notice, commence to cure or remedy such default, and (b) in the event of a monetary default, within ten (10) days after receipt of notice, commence to cure or remedy such default. In case such cure or remedy is not taken or not diligently pursued, or the default or breach shall not be cured or remedied within a reasonable time, the aggrieved party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach, including without limitation proceedings to compel specific performance by the defaulting or breaching party. If either party shall prevail in any court proceeding to enforce any term, covenant or condition hereof, the non-prevailing party shall reimburse the prevailing party its costs and reasonable attorneys' fees on account of such proceeding.

**Section 6. Assignment.** This Agreement may not be assigned by Developer without prior written approval of City.

**Section 7. Partial Invalidity.** If any section, subsection, term or provision of this Agreement or the application thereof to any party or circumstance shall, to any extent, be invalid or unenforceable, the remainder of said section subsection, term or provision of this Agreement or the application of the same to parties or circumstances other than those to which it is held invalid or unenforceable, shall not be affected thereby.

**Section 8. Termination of Agreement.** Developer may opt out of this Agreement following written notice of at least sixty (60) days. If Developer opts out of this Agreement, Developer shall return all monies paid by City to Developer pursuant to this Agreement within sixty (60) days. City reserves the right to opt out of this Agreement, with sixty (60) days' notice to developer, should Developer not perform pursuant to this Agreement. In the event City opts out of this Agreement, Developer shall return any monies paid by City to Developer pursuant to this agreement within sixty (60) days. Developer's failure to return all monies paid by City within sixty (60) days shall be deemed a breach of this Agreement by Developer, and City reserves all rights at law and equity to recover monies paid by City to Developer, including costs of collection (Court Costs, Attorneys' Fees, Interest at 9% per annum, any other costs associated with collection).

**Section 9. Entire Agreement.** This Agreement constitutes the entire agreement between the Parties. No representation or covenant made by either party shall be binding unless contained in this agreement or subsequent written amendments hereto agreed upon by both Parties.

**Section 10. Notices.** All notices, demands, requests, consents, approvals or other instruments required or permitted by this Agreement shall be in writing and shall be executed by the party or an officer, agent or attorney of the party, and shall be deemed to have been effective as of the date of actual delivery, if delivered personally, if emailed, or as of the third (3<sup>rd</sup>) day from and including the date of posting, if mailed by registered or certified mail, return receipt requested, with postage prepaid, addressed as follows:

Monitor Advertising Agreement at the Korte Recreation Center

#### Recommendation

I am seeking city council approval to terminate our current monitor advertisement agreement with Monitor Productions that was signed in 2009 and start a new agreement with Gateway Digital Media Group.

#### Discussion

Our current agreement has served us well since 2009, but we have not seen any upgrades to our equipment or quality of slideshows since the start of the agreement. Gateway Digital Media Group has proposed to update our equipment and slideshow content on a regular basis versus KRC staff updating information monthly. It would also give our department advertising at outside locations that currently contract with Gateway Digital Media in the area.

The current contract with Monitor Productions does not have a fee and neither does the new contract proposed to the City of Highland. The advertisers that want to be displayed on our slideshow pay to advertise in the facility and Gateway Digital Media Group has already signed contracts with several of the current advertisers that are being displayed. In addition, Gateway Digital Media Group is willing to honor any current contracts that our local businesses have with Monitor Productions to allow for a smooth transition.

Recommended By: Mark Rosen, Director of Parks & Recreation

Approved By: Chris Conrad, City Manager

<b>RESOLUTION NO.</b>	
-----------------------	--

# RESOLUTION APPROVING TERMINATION OF AGREEMENT WITH MONITOR PRODUCTIONS AND APPROVAL OF AGREEMENT WITH GATEWAY DIGITAL MEDIA GROUP FOR MONITOR ADVERTISING AT THE KORTE RECREATION CENTER

**WHEREAS**, the City of Highland, Madison County, Illinois (hereinafter "City"), is a non-home rule municipality duly established, existing and operating in accordance with the provisions of the Illinois Municipal Code (Section 5/1-1-1 et seq. of Chapter 65 of the Illinois Compiled Statutes); and

**WHEREAS**, City desires to terminate an existing agreement with Monitor Productions for monitor advertising at the Korte Rec Center; and

WHEREAS, City desires to enter a new agreement with Gateway Digital Media Group for monitor advertising at the Korte Rec Center; and

**WHEREAS**, Gateway Digital Media Group ("Gateway") has presented a "Host Agreement" to City for approval (*See* **Exhibit A**); and

**WHEREAS,** City has determined it is in the best interests of public health, safety, general welfare, and economic welfare to approve the Host Agreement from Gateway; and

**WHEREAS,** the City Council finds that the City Manager and/or Mayor should be authorized and directed, on behalf of the City, to execute whatever documents are necessary to approve the Host Agreement (**Exhibit A**).

# NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Highland, Illinois, as follows:

- Section 1. The foregoing recitals are incorporated herein as findings of the City Council of the City of Highland, Illinois.
- Section 2. The Gateway Host Agreement (**Exhibit A**) is approved.

Section 3.	This Resolution shall be known as Resolution No and shall be effective upon its passage and approval in accordance with law.

## **HOST AGREEMENT**

Company Name:			
Email Address:			
Phone Number:			
Company Address:		City:	
State:	Zip:		
Business Category:			

#### **RECITALS**

Dealer has independently created a digital signage advertising network that is made up of Hosts and advertisers. Host wishes to enter into this Agreement with Dealer for the provision of digital signage advertising. A Host is an establishment that displays Dealer's digital media screens (the "Screens"), in its facility. A "Network" is defined as several Hosts that have been combined. Therefore, in exchange for the following mutual promises, as well as other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties, intending to be legally bound, hereby agree as follows:

#### **ADVERTISING IMAGES**

The Host shall receive (1) thirty (:30) second advertising video played two (2) times within the fifteen (15) minute main show loop, inhouse and full-screen, and six (6) vertical advertising images played one (1) time each for the duration of the main show loop, or within the two (2) minute vertical loop, in-house and right 1/3 screen, for fourteen (14) minutes. The Host shall also receive one (1) twenty (:20) second advertising video played one (1) time within the fifteen (15) minute main show loop at the five (5) other Host locations within Host's Zone in the Dealer's Network as long as it is not in a competing business, left 2/3 screen. Host shall also be entitled to one (1) edit per advertising material per three (3) month quarter. The Host shall designate all Host advertising images to be displayed on the Network. All advertising images shall be subject to approval by Dealer and shall be rejected if reasonably deemed by Dealer to be inappropriate. All such approvals or rejections may be given in writing or verbally. At no time will Host allow advertising images for any business that Host deems to be a competitor. All Host advertising images will be provided to Dealer in acceptable formats by Host.

#### OWNERSHIP

Host acknowledges and agrees that Dealer or its licensors own and retain all right, title, and interest in and to the Screens and any variation thereof, the Dealer website, any content, and any and all works, discoveries, inventions, and improvements, whether or not patentable, and any and all trademarks, copyrights, patents or patent applications relating hereto, as well as any intellectual property rights in any way related to the Network and/or the Screens. All content, work, trademarks, or other intellectual property which is currently owned by Host and provided to Dealer in connection with this Agreement shall continue to be owned by Host.

#### **EQUIPMENT**

Any equipment provided by Dealer and utilized in connection with the Screens and the Network, shall be the sole and exclusive property of Dealer. Such equipment may include, but is not limited to, computers, media players, TV/LCD monitors, cables, modems, adapters, transmitters, mounting hardware and brackets. Installation and maintenance of the Screens shall be at Dealer's sole cost and expense. In the event Host is evicted from its place of business where a Screen is located, then immediately upon request by Dealer, Host shall provide a limited power of attorney to Dealer solely to enable Dealer to remove its screen from Host's place of business.

#### **HOST RESPONSIBILITIES**

Host represents and warrants that it shall: (i) provide internet access (ii) provide the necessary space for the Screens; (iii) provide uninterrupted power to the Screens by use of a normal, grounded three prong power outlet; (iv) ensure that at all times during Host's normal business hours the Screen will be unobstructed and in clear view; (v) provide Dealer with necessary access to the Screen, as requested by Dealer; (vi) not move, adjust, clean or otherwise interfere with the Screen; and (vii) immediately contact Dealer in the event any problems arise with the Screen.

#### **TERM AND TERMINATION**

This Agreement shall begin on the Effective Date and shall continue for a period of twelve (12) months from the date of the initial installation of the Screens (the "Initial Term"). At the end of the Initial Term this Agreement shall automatically renew for subsequent terms of one year (together with the Initial Term, all subsequent terms shall be referred to as the "Term") unless Dealer or Host has notified the other party in writing at least 30 days prior to the renewal date of such party's intent not to renew this Agreement. Dealer reserves the right to remove any and all said equipment, owned by Dealer, with a 30 day notice to Host location. Host or Dealer may terminate this Agreement at any time for any reason with a 30 day written notice. In the event that Host breaches this Agreement, Dealer, in its sole discretion, may immediately remove the Screens and terminate this Agreement.

#### NOTICE

Notices to be furnished hereunder shall be in writing and shall be served by certified United States mail, express delivery mail or facsimile, effective upon receipt by the other party. All notices shall be sent to the address set forth at the beginning of this Agreement.

#### PROPERTY LOSS, THEFT OR DAMAGE

In the event a Screen is lost, damaged or stolen, Host agrees to notify Dealer immediately. Host agrees to cooperate fully with Dealer, including, but not limited to providing information necessary for the filing of insurance claims and police reports required to protect the property interests of Dealer.

#### INSURANCE

During the Term of this Agreement, each party shall maintain in full force and effect general liability insurance coverage.

#### **INDEMNITY**

Each party ("Indemnifying Party") agrees to and shall defend, hold harmless and indemnify the other, its officers, directors, employees and agents ("Indemnified Party") from and against all claims, damages or causes of action caused solely by the gross negligence of the Indemnifying Party.

#### **WARRANTIES**

DEALER MAKES NO WARRANTY REGARDING THE SCREEN, THE NETWORK OR ITS SERVICES, AND DISCLAIMS ALL WARRANTIES EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTIC-ULAR PURPOSE AND NON-INFRINGEMENT. DEALER DOES NOT WARRANT THAT OPERATION OF THE SCREEN OR THE NETWORK WILL BE UNINTERRUPTED OR ERROR-FREE.

#### LIMITATION OF LIABILITY

In no event will Dealer be liable to customer or any third party for any damages (even if Dealer has been informed of the reasonable possibility of such damages), including any incidental, consequential, exemplary, punitive, indirect, or special damages, expenses, lost profits, lost data, lost savings, or other damages arising out of the services, the Screen or the Network, or in any other way related to the Agreement.

#### **GENERAL PROVISIONS**

If any provision in this Agreement is found to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated. Any waiver of any particular provision of this Agreement, or breach thereof, does not imply waiver of such provision, or enforcement of such provision, or any other provision of this Agreement in the future. This Agreement contains the entire agreement between the parties, and there are no verbal understandings or agreements different from those stated in this Agreement. In order to be effective, any modification must be in writing, signed by an authorized agent of both parties and attached hereto. This Agreement, including all activities resulting from the negotiation, implementation, or enforcement of this
Agreement, shall be construed in accordance with the law of the State of, regardless of any conflict or choice of law provisions. Both parties agree to waive their respective rights to a jury trial in the event of any litigation relating to obligations pursuant to this Agreement. Neither party shall be liable for any delay in or impairment of performance resulting in whole or in part from acts of God, labor disruptions, shortages, inability to procure product, severe weather conditions, acts of subcontractors, interruption of utility
services, acts of any unit of government or governmental agency, or any other circumstances or causes beyond the control of either party in the conduct of its business. This Agreement may be executed in one or more counterparts, each of which when so signed shall be deemed to be an original, and such counterparts together shall constitute one and the same instrument. In lieu of the original, a facsimile transmission or copy of the original shall be as effective and enforceable as the original.

# AN ORDINANCE DECLARING PERSONAL PROPERTY OF THE CITY OF HIGHLAND SURPLUS AND AUTHORIZING ITS SALE AND/OR DISPOSAL, INCLUDING PARKS & RECREATION SUPPLIES AND EQUIPMENT, AND OTHER PERSONAL PROPERTY OWNED BY THE CITY OF HIGHLAND

**WHEREAS,** the City of Highland, Madison County, Illinois (hereinafter "City"), is a non-home rule municipality duly established, existing and operating in accordance with the provisions of the Illinois Municipal Code (Section 5/1-1-1 et seq. of Chapter 65 of the Illinois Compiled Statutes); and

WHEREAS, 65 ILCS 5/11-76-4 provides that whenever a municipality in the state of Illinois owns any personal property which, in the opinion of a simple majority of the corporate authorities then holding office, is no longer necessary or useful to, or in the best interests of the municipality to keep, a majority of the corporate authorities at any regular or special meeting called for that purpose, may: (1) by Ordinance authorize the sale of such personal property in whatever manner they designate with or without advertising the sale; or (2) may authorize any municipal officer to convert that personal property to the use of the City; or (3) may authorize any municipal officer to convey or turn in any specified article of personal property as part payment on a new purchase of any similar article; and

**WHEREAS**, the City of Highland Parks and Recreation Department currently owns supplies and equipment which, in the opinion of this City Council, is no longer necessary or useful to, or in the best interests of the City to retain, and should be declared surplus personal property (*See* **Exhibit A**); and

**WHEREAS**, City currently owns other equipment which, in the opinion of this City Council, is no longer necessary or useful to or in the best interests of the City to retain, and should be declared surplus personal property (*See Exhibit A*); and

**WHEREAS**, City has determined the City Manager, or his designee, is permitted to sell the surplus personal property for the maximum value that can be obtained, or to dispose of the surplus personal property where appropriate, to be determined solely by the City Manager, or his designee; and

**WHEREAS**, City has determined it to be in the best interest of public health, safety, general welfare and economic welfare to declare the aforementioned personal property surplus (**Exhibit A**), and sell and/or dispose of the same.

## NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Highland, Illinois, as follows:

Section 1. The foregoing recitals are incorporated herein as findings of the City Council of the City of Highland, Illinois.

useful to the City or necessary for City purp	operty listed on <b>Exhibit A</b> is hereby declared no longer coses, that the City personal property listed on <b>Exhibit</b> interest of the City to sell and/or dispose of the same.
•	r his designee, is directed and authorized to sell and/or ed on <b>Exhibit A</b> as the City Manager, or his designee,
surplus personal property listed on Exhibit	or his designee, is directed and authorized to sell the <b>A</b> for the maximum value that can be obtained, or to sed on <b>Exhibit A</b> where appropriate, to be determined .

MEMO TO: Christopher Conrad, City Manager

FROM:

Joe Gillespie, Director of Public Works

DATE:

April 12, 2024

**SUBJECT:** 

Street Resurfacing 2024, PW-02-24

Recommendation for Award

#### RECOMMENDATION

I recommend that you request council approval to award a contract to Rooters American Maintenance d/b/a Rooters Asphalt in Beckemeyer, IL, for \$432,289.10.

#### **DISCUSSION**

We opened bids on April 12, 2024. The bidding details are attached. Curry and Associates reviewed the contractor's qualifications and the bid for accuracy. I have attached the recommendation letter.

#### FISCAL IMPACT

The project is funded with ARPA and Business District funds.

#### **CONCURRENCE**

Re: Letter of Recommendation

Street Resurfacing 2024 – PW-02-24

(Laurel Street, Pine Street, & Cypress Street)

Highland, Illinois

Dear Mr. Gillespie:

Bids for the above referenced project were opened on Friday, April 12, 2024 at 10:00 a.m. at Public Works.

The following bids were received.

Contractor	Total Bid
Rooters American Maintenance	\$432,289.10
The Kilian Corporation	\$464,654.51
Christ Brothers Asphalt, Inc.	\$468,950.70
Charles E. Mahoney Co.	\$484,347.91
Gleeson Asphalt, Inc.	\$484,348.00

The estimate for the project was \$475,558.84. We are pleased to report that the low bid is less than the estimate for the project.

Due to the need for this project, we respectfully recommend that this project be awarded to Rooters American Maintenance in the amount of \$432,289.10.

If the City approves to award the project, please advise of the approval and we will proceed with notification to the Contactor and processing of the contract documents for the project.

PO Box 246 243 East Elm Nashville, IL 62263 Telephone: 618.327.8841 TelephFAX: 618.327.3576

We trust this information is responsive to the City's needs. We have enclosed a copy of the bid tabulation and bid opening attendance list for the City's use.

If you have any questions or comments, please do not hesitate to contact us.

Very truly yours,

CURRY & ASSOCIATES ENGINEERS, INC.

Wicharl R Brondt

Michael R. Brandt, P.E.

## City of Highland

#### Department of Light and Power

Memo to: Chris Conrad, City Manager

From: Dan Cook, Director of Electric

**Date:** April 4, 2024

Subject: Notice of Municipal Letting for the Purchase of 3-Phase Pad Mount

Transformers, E-03-24

#### RECOMMENDATION

I recommend that you seek council approval to advertise for the above referenced NOML.

#### DISCUSSION

The city needs to have an assortment of Distribution Transformers on hand at all times to replace any failures along with installation at new construction sites. The lead time for these devices is nearing 2 years now and although we do not have the dollars allocated for all these this fiscal year, we would be jeopardizing our services if we do not get these on order ASAP.

#### FISCAL IMPACT

This item will be paid for under GL# 101-104-5-540-20.

	CONCURRENCE	
Recommended	by: Daniel Cook, Director of Electric	
Approved by: _	Chris Conrad. City Manager	

## NOTICE OF MUNICIPAL LETTING CITY OF HIGHLAND, ILLINOIS

## NOML E-03-24 Purchase of 3-Phase Pad Mount Transformers

The City of Highland will accept bids until 10:00 A.M. CST on Tuesday, the 7<sup>th</sup> of May 2024 at City Hall located at 1115 Broadway, Highland, Illinois at which time they will be publicly opened and read. After tabulation and review, bids will be presented to the City Council at its regular meeting scheduled for May 20<sup>th</sup>, 2024 for consideration. If there are any questions concerning this solicitation, please contact Mr. Dan Cook, Director of Electric at (618) 654-7511.

Bids shall be submitted in an opaque, sealed envelope containing the bidders name and address and labeled "Sealed Bid, E-03-24, Purchase of 3-Phase Pad Mount Transformers" Facsimile bids are not acceptable.

The city of Highland reserves the right to reject any and all, or any part of bids, and to waive any informality therein and to make the award in the best interest of the City. The bid prices shall remain valid and no participating party may withdraw his bid for at least thirty (30) days after the established deadline for receipt of bids.

By submitting this bid, the participating party acknowledges that they are familiar with the specifications and all other applicable regulatory and contract requirements for the work. Any area of concern shall be brought to the Department of Light & Power's attention as soon as possible.

Certificates of Non-Delinquency of Taxes, Compliance and the "Hold Harmless Agreement" forms will be requested from the successful bidder once the bid is awarded.

#### **BASIS FOR BID**

The bid shall include all labor, plant, material, delivery to City of Highland Electric Building and other costs required to provide up to 6 assorted 3 – phase distribution transformers, types, sizes and quantities as detailed in the attached specification sheets. The bid price will include all discounts, preparation costs and all other charges or credits. DO NOT include taxes in the bid price. The city of Highland is exempt from Federal Excise, Transportation, and State Sales Taxes.

#### BASIS FOR CONTRACT AWARD

Bid submissions will be evaluated and compared to the specifications provided by the city. Both cost and delivery date will be considered when awarding this purchase. The lowest responsible and responsive bid that meets the provided specifications shall be deemed the successful bidder and the contract will be awarded to that bidder (subject to City Council approval).

#### **BASIS OF PAYMENT**

Payment will be made only after all materials are received and accepted, as specified, and within 30 days of receipt of invoice for the same.

Proposals received after 10:00 A.M. CST, May 7<sup>th</sup>, 2024 will not be accepted and will be returned to the proposer unopened. The City of Highland reserves the right to reject any and all responses and waive minor irregularities. No proposal may be withdrawn for a period of thirty (30) days.

By the order of the Mayor and City Council

#### Chris Conrad, City Manager

City of Highland
"Sealed Bid, E-03-24, Purchase of 3-Phase Pad MountTransformers"
Attn: Daniel Cook, Director of Electric
1115 Broadway
PO Box 218
Highland, Illinois 62249

#### **Bid Summary Sheet**

Note: This sheet must be filled out and submitted along with the supporting individual proposal forms for each transformer size and form. Cost entered below should be for 1 transformer of each size and voltage not total quantities.

Transformer size and voltage	300 kVA Pad mount 480/277	300 kVA Pad mount 208/120	75 kVA Pad mount 240/120	300 kVA Pad mount 240/120
Base Price				
Evaluated Cost				

If your proposal requires the purchase of all transformers quoted, please indicate that on your bid. The city will evaluate each size and voltage separately and will possibly issue several purchase orders to several vendors based upon which offers the best proposal for each transformer. If you would like to provide a discounted price if all of the transformers are ordered from one vendor, please do so and indicate that is a requirement for the lower pricing.

## PAD MOUNTED DISTRIBUTION TRANSFORMER SPECIFICATIONS (LOOP FEED OPERATION)

THREE PHASE PAD MOUNTED TRANSFORMER - This specification covers the electrical characteristics and mechanical features of a new, three phase, 60 HZ, mineral-oil filled, self-cooled, pad mounted type distribution transformer of the sizes and voltages included on the attached Quote Forms.

#### A. General Electrical and Mechanical Features:

- 1. New
- 2. Three-phase, 60 HZ
- 3. Mineral-oil filled
- 4. Self-cooled
- 5. Pad-mounted distribution type
- 6. Primary voltage (13,200V, 3W, DELTA), with taps.
- 7. Primary and secondary windings shall be copper.
- 8. Transformer shall be suitable for connection to a 7,620/13,200V WYE, multigrounded distribution system.
- 9. Secondary voltages and winding configuration: as listed on attached bid sheets
- 10. Manufacturer's standard impedance
- 11. The transformer shall meet all applicable requirements of ANSI C57.12.26 except as otherwise specified herein.
- 12. The maximum temperature rise above ambient at 100% KVA load shall not exceed 65 degrees C.
- B. The primary connection shall be dead front and shall consist of six (6) super-close, one piece, 200 Amp, load break bushings and wells (6 bushings per transformer to be included) suitable for loop feed operation.
- C. Cable accessory parking stands shall be located adjacent to the bushing wells with a minimum of 5 inches from the center line of the bushing to the center line of the parking stand.
- D. The transformers shall be equipped with two 2-1/2% taps above and below normal and externally operable no-load tap changer with the handle located in the primary compartment. Tap changer switch handle shall have provision for locking in all positions.
- E. The transformer windings shall be protected by three (3) dual sensing Bay-O-Net type

fuses located in the primary compartment. All Bay-O-Net fuseholders shall be provided with plastic spill pans. The transformer shall include one (1) set of spare fuses.

- F. The transformers shall be equipped with an automatic pressure relief device.
- G. The transformers secondaries shall have the secondary neutral brought out in the secondary compartment through a fully insulated bushing ("XO") and equipped with a removable full ampacity ground strap.
- H. The four (4) low voltage bushings shall be fitted with appropriately sized spade type terminals. Secondary bushing spades shall be designed in a staggered arrangement with a minimum of 5 1/2" horizontal clearance between spades and 3 3/4" clearance from any sidewall.
- I. The transformers shall be equipped with a minimum of two (2) two-hole NEMA ground pads located in the lower portion of the compartments, one in the primary compartment and one in the secondary compartment.
- J. Ground pads shall be 1/2 inch 13NC tapped holes, 7/16" deep. Ground pads shall be capped before painting.
- K. The transformers shall be fitted with a one-inch upper filter press and filling plug or cap and a one-inch drain valve with built-in sampling device. Such drain valves shall be located at the bottom of the low voltage compartment.

Transformer Termination Compartment Construction Requirements:

- 1. The transformer shall be of compartmental type construction with completely separate compartments for both the primary and the secondary.
- 2. The primary and secondary compartments shall be side by side, with the secondary compartment on the right side when facing the transformer front compartment.
- 3. The primary and secondary compartments shall be completely enclosed with removable front sills and doors.
- 4. The high voltage compartment door shall be of the interlock type and shall be secured by a 1/2 in. stainless steel pentahead bolt held in the center frame which is accessible only after the low voltage door is opened.
- 5. The low voltage compartment door shall include a handle with a two (2) point locking arrangement equipped with provisions for pad-locking. The secondary compartment door handle to include a spring loaded captive stainless steel pentahead bolt which will require loosening of the bolt to permit operation of the handle.

- 6. An instruction nameplate shall be located on the inside of the low voltage compartment and will clearly indicate the following:
  - a. The connection diagram.
  - b. The location of the protective devices.
  - c. Primary tap ratings.
  - d. All other pertinent information related to the unit.
- 7. Stainless steel is to be used for all metal in contact with the foundation (sill, side panels, and false bottom of tank area). All exposed hardware shall be stainless steel.
- 8. Manufacturer must furnish certification that the transformer will meet ANSI Standard on enclosure security standards.
- L. The transformer tank shall include a fully gasketed cover that is fully detachable for access to the interior of the tank. It shall have a wrap-around guard that is removable only when the compartment doors are opened and shall enclose the tank cover nuts.
- M. The transformer shall be equipped with lifting lugs or other suitable means for safely lifting the unit.
- N. Each transformer shall meet, or exceed, Western Underground Committee Guide 2-13 for security and tamper-resistant operation.
- O. The transformer shall be provided with all required safety stickers and warning labels.
- P. The transformer coating shall meet the latest EEI finishing guidelines for pad mounted equipment and the successful vendor must provide certified test reports insuring this requirement is met.

Color shall be Munsell No. 7 OGY 3.29/1.5 (Ameritech Telephone Green).

The manufacturer must furnish certification that the transformer will meet ANSI Standard C57.12.29-1988 on finish.

Outside shall be labelled with Transformer size (KVA) and primary and secondary voltages.

Q. Vendors shall complete the Bid Forms for the transformer, as attached. The successful vendor shall provide certified test reports, which shall include core and winding losses, on the transformer supplied under this quote. The final payment for transformers not meeting the guaranteed loss values shall be adjusted accordingly. The loss penalty shall be as follows:

#### No Load Loss at \$3300.00/KW Load Loss at \$1200.00/KW

- R. Manufacturers are to submit certification that the transformer does not contain any measurable concentrations of PCBs.
- S. The transformer shall be delivered on an open type flat bed trailer. Forty-eight (48) hour notice is required prior to delivery by calling the City of Highland Utilities Dept. at (618) 654-7511 between the hours of 8:00 a.m. and 3:00 p.m. weekdays.

#### TRANSFORMER EVALUATION INFORMATION

The transformer evaluation will be based on the present value cost as determined by the following formulas:

Cost of Core Loss = No Load Loss (KW) x \$3300.00

Cost of Winding Loss = Load Loss (KW) x \$1200.00

Load loss is to be determined at 100% of transformer KVA rating.

Present value cost of transformer = Quote price + Present value of Core Loss + Present value of Winding Losses.

Vendors are expected to complete the attached Quote Form, provided herein, for each transformer. If attached Quote Form is not provided with the Vendors quote, the quote will be deemed as non-compliant and will be rejected.

The City retains the right to select to select the Bid which represents the best value for the City of Highland.
