

DO'S AND DON'TS FOR ROLL-OFF CONTAINERS

It is our goal to provide you with the best waste removal service possible and to make your experience during this process as easy and enjoyable as possible. By reviewing and following these "Do's and Don'ts" you will help us ensure that the services provided to you meet and exceed your expectations as well as ensure the safety of your family, friends and the general public.

- **DO** be selective where the container is to be placed. Loading or unloading of the container (on/off the companies' truck) may damage inadequate pavement.
- *Helpful Hint: Items such as $\frac{3}{4}$ inch plywood placed under the wheels of the container when it is delivered may reduce the possibility of asphalt and/or concrete damage. Republic Services will not accept any liability for damage to pavement, which may occur when delivering or removing the container.*
- **DO** allow enough room for companies' vehicle and container to be placed and serviced after container is loaded. No less than 15 feet (width) by 70 feet (length).
- **DO NOT** ALLOW CHILDREN TO PLAY IN, ON, OR AROUND THE CONTAINER.
- **DO NOT** climb on the side of the container for loading.
- **DO** load the container by opening the rear door.
- **DO** make sure that the weight is evenly distributed when disposing of heavy materials.
- **DO** load the container evenly.
- **DO** close the rear door and secure it before finishing the loading process.
- **DO NOT** mix trash and yard waste
- **DO NOT** place unacceptable waste items in the container. *See below. Free Liquids and/or Containers containing free liquids, Lead Acid Batteries, Tires, Automotive Parts, Medical or Infectious Waste, Appliances, Computers or monitors, Televisions, Printers or Fax Machines, Paints or Thinners, Chlorine, Yard Waste or Compost. Special Waste items require special permitting (i.e. Asbestos) No Electronics.*
- **DO NOT** let loose debris to stick out or between the door seal of the container.
- **DO NOT** load above the top of the container
- **DO** Schedule your pick-up at least 24 hours in advance.
- **DO** Contact your local Republic Services Representative with any questions or concerns!
